Warren Willis says, "Everbody make a stupid face for the picture."

The Difference Between Looking Good and Looking Great.

Fashion

Clothing says a lot about a person. How we dress determines whether or not we are classified as being fashionab The students at Deerfield-Windsor dress in a wide variety of styles. Some of us prefer the traditional preppy lo which might include a madras shirt worn with "duckheads" and suspenders, or even a pullover Polo with Levi 5 Blues and loafers. Other students enjoy wearing the more sophisticated, trendy styles. From the spirited colors Esprit to Guess overalls, from Outback Red to Forenza; we like to dress in high fashion.

Accessories play an important role in making our outfits more eyecatching. The newest accessories are bla Reeboks, funky socks, flashy silver pocketbooks, and hightops that come in many different bold colors. We now we Coke watches, Benetton watches, and the coat of arms swatches. It's hard to believe that girls are actually weari boxer shorts, and girls and guys both are wearing woven, string bracelets. Sunglasses such as Vuarnets and Rayba are cool also. The Tom Cruise haircut seems to be the latest thing. Girls also are going for shorter hair stepped in t back and long bangs in the front. We all put styling gels and mousse in our hair because it gives us the stylish lo we want; easygoing and casual, but still pulled together. For the most part, all of us at Deerfield-Windsor dress high class.

Senior girls enjoy dressing up for Fifties Day. 7. Who is that hiding behind those Ray Bans?

We Can't Drive 55!

Transportation

Getting from one place to another is an aspect of life in today's world that we all must deal with. How we get fro place to place changes as we grow older and our world moves beyond the boundaries of the neighborhood we live i Learning to ride a bicycle in the first or second grade is a first sign of freedom. A bike enables us to become mo independent, and we can go to a friend's house or to the store with great speed. As we get older, many of us graduate ten speed bicycles like Schwinn and dirt bikes like: Diamond Back, Red Line, Mongoose, and GT. Once we've outgrow the bicycle stage, turning sixteen and getting our driver's license is a top priority. There is no feeling like taking th family car out for our first solo cruise. Knowing that we can come and go as we please and not having to wait o someone to pick us up are two great aspects of being sixteen. At this point, the type of vehicle that we are seen i becomes very important. Certainly, we would all like to show up at school in a Ferrari, Lambourgini, or a Delorean bu that's not always possible. However, we do have a certain amount of pride for the car that we call "our own." Studen at Deerfield drive a wide range of vehicles. Trucks, vans, jeeps, convertibles, and parent's hand-me-downs can be see in the school parking lot. No matter what we drive, unless we drive carefully, recieving a speeding ticket or being in wreck could become a reality for us. Driving at night and attempting the interstate on the way to Atlanta and Athe can be frightening experiences. Even with that in mind though, it is hard to be young and free and to only drive 55!

1.

2.

1. Ride 'em cowboy! 2. Can we have a ride? 3. You've got the cutest little baby face. 4. When I grow up, I want to be a sailor. 5. Hey good-looking, we'll be back to pick you up later!

They're Playing Our Song

Music

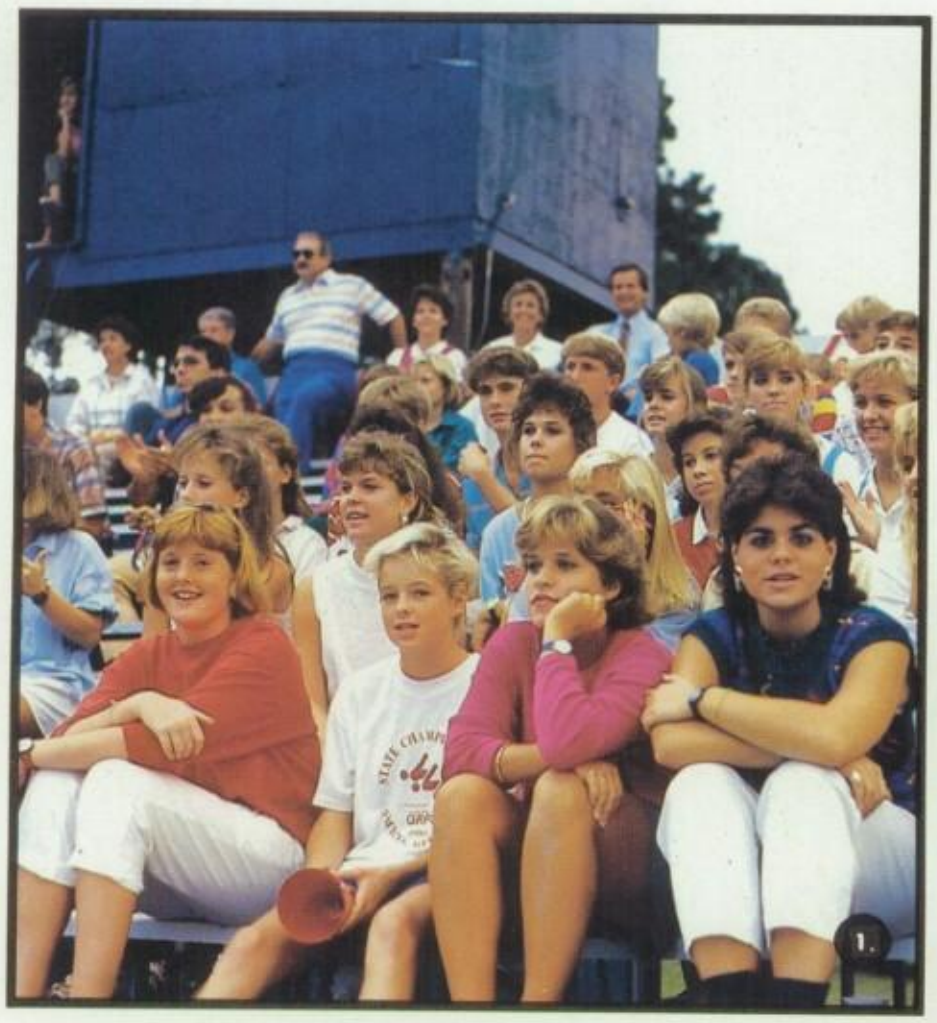
Music plays an important role in our lives. It affects the way we dress, talk, and spend our money. Whether we're dancing in the gym or listening to the Top 40 in our cars or tuning in to 97 Rock while getting dressed for school, music is present in our daily lives.

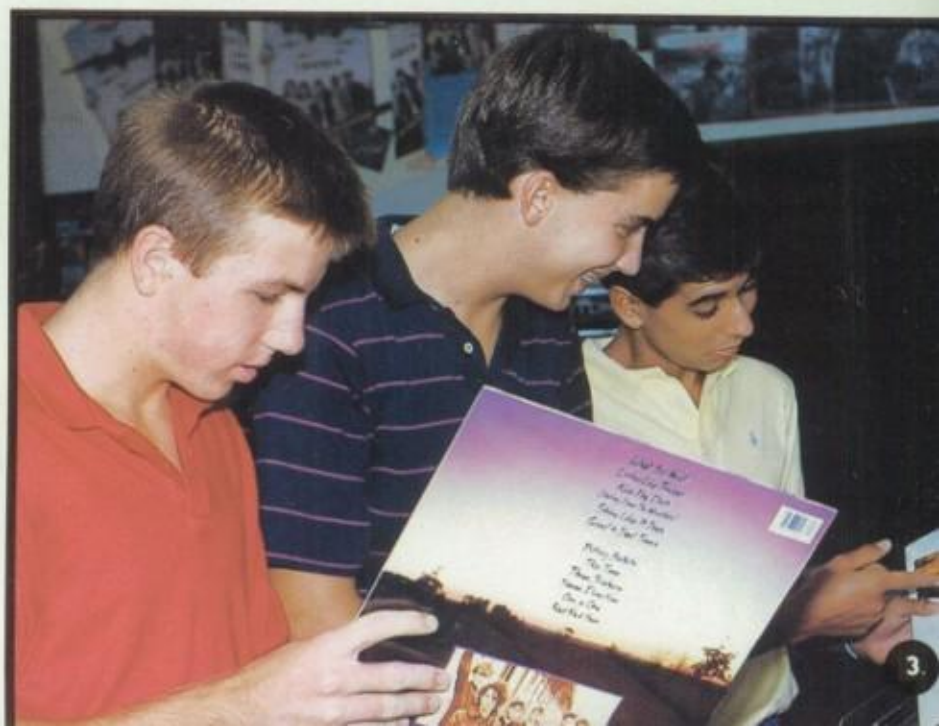
When MTV, music television, debuted in 1981, it brought today's top musical groups into our living rooms. We began to be influenced more and more by the clothes our favorite singers were wearing. Hairstyling gels and mousses, shorter hair for guys, and baggy, brightly-colored clothes for guys and girls have become more popular.

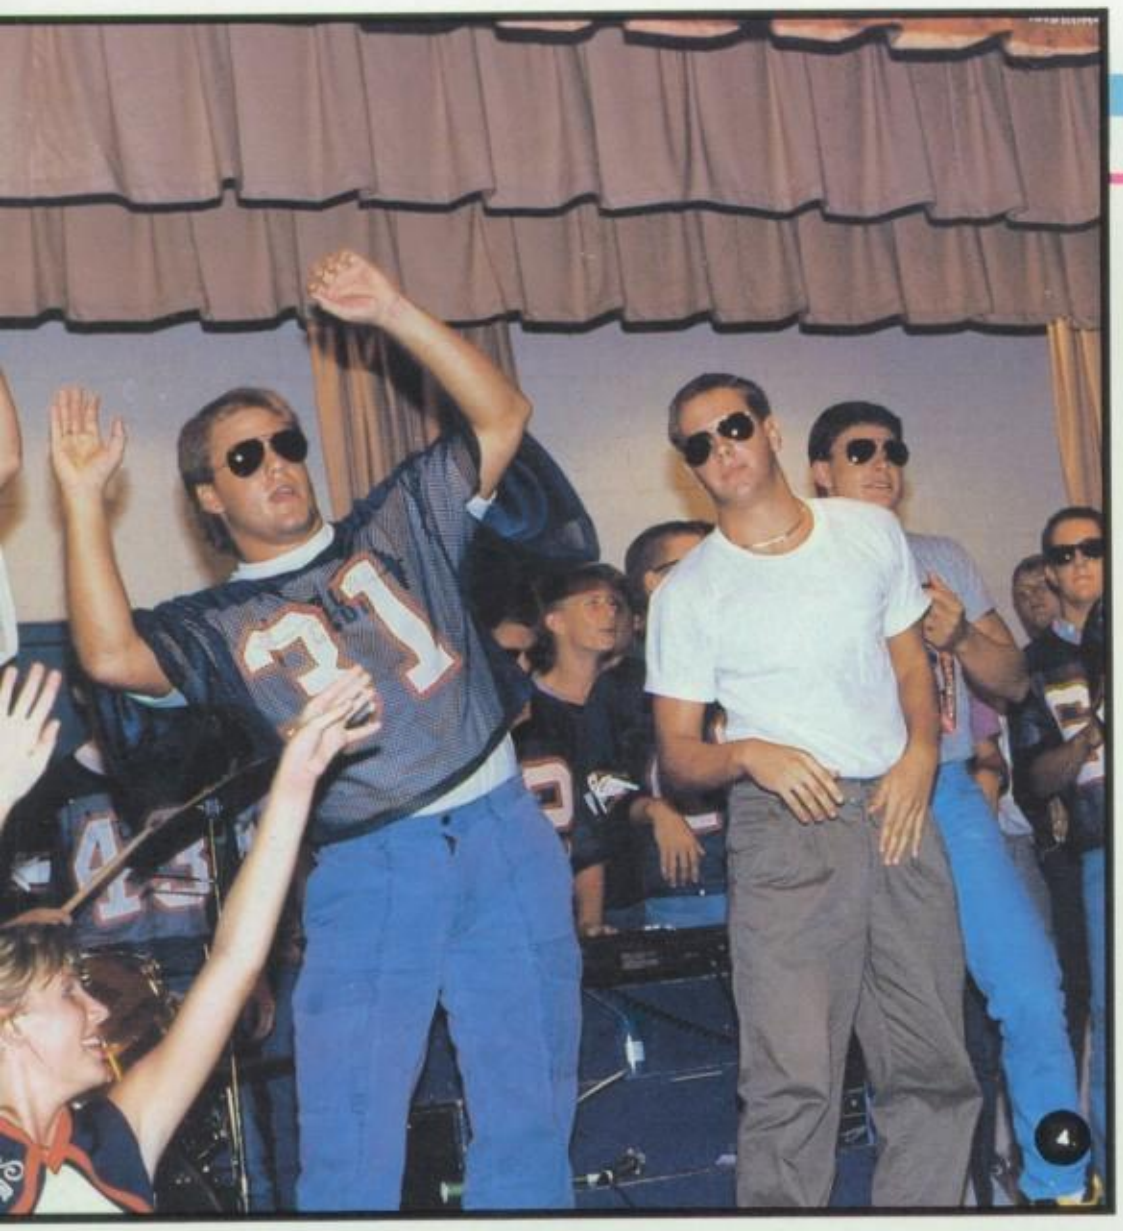
Many of our favorite expressions and sayings were also introduced to us by the music we listen to. Nasty (pronounced "Nas-t-a-a-ay") was one of our favorites this year. Many new groups have introduced rapping, a way of talking to a fast, steady beat. Some of the most popular rapping groups include; Run DMC, Whodini, and Fat Boys.

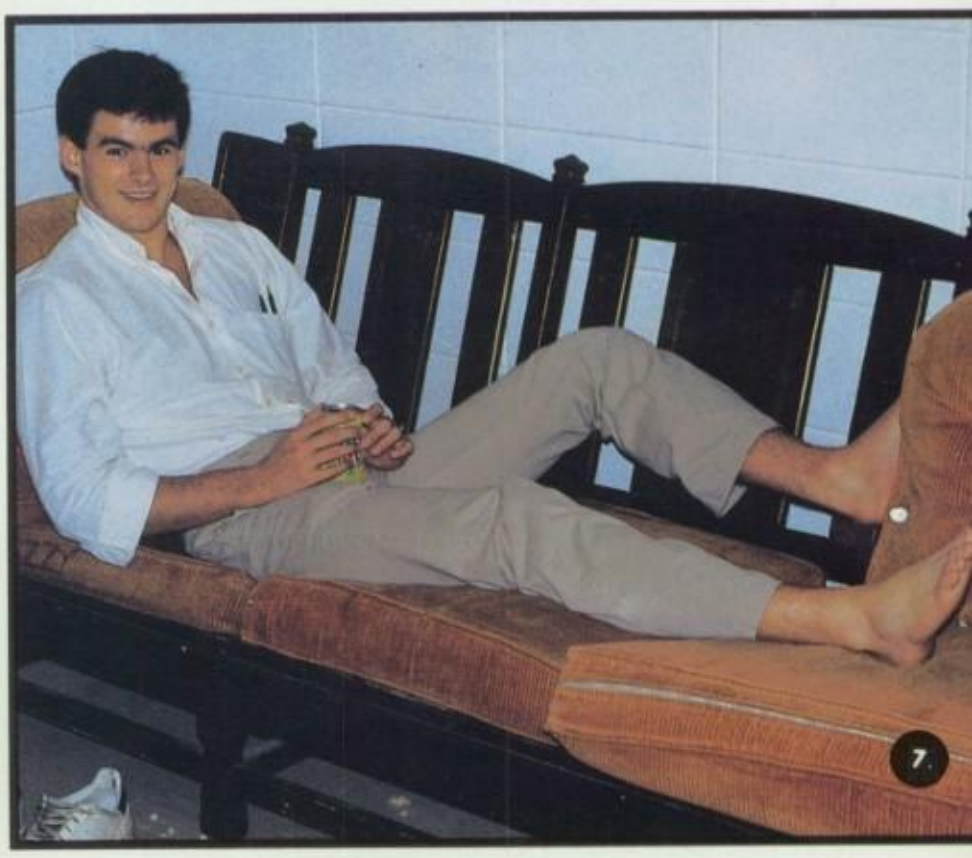
Music also affected the way we spent our money. After receiving our pay check, many of us headed to Fantasy Records or Musicland to pick up the latest album or tape. A few of us who really want to get the most out of our music invested in compact disk players. The disk players were very expensive, but they made the music sound like the band was in the same room with us. Those of us who did not want to invest in compact disk players bought cassette tapes and albums and good stereos such as Alpine and Sony.

This year in music we've enjoyed Madonna and Prince and welcomed such newcomers as The Outfield and Belinda Carlise. In the future when we look back at our school days one of the first things that will come to mind will be the music of today. This year has been a great one for music and the next year should be just as jamming!









1. After eating the food prepared by the Booster Club parents, Deerfield-Windsor students watch the cheerleaders at the Booster Club pep rally. 2. Haley, Leigh Ann, Hollie, and Meredith "light up" their bublegum Pall Mall's on Fifties day. 3. Snoop, Trey, and Gas check out the new music at Fantasy Records. 4. "We are the Knights, we are mean, we are the ultimate football team." 5. Tomorrows cheerleaders watch those of today show their spirit at the pep rally. 6. Seventh graders say, "J . . . A . . . M . . . jam, jam." 7. Alden, you don't have to take your shoes off to have a good time.

From Spirit to Spring Break
DWS Students Carry On

Traditions

Just as America has always had baseball, hotdogs, apple pie and Mom, Deerfield-Windsor also has traditions. Traditions are an especially important part of student life at DWS. All students at each grade level look forward to the traditions held in the next grade.

At the lower school, such traditions include the Book Parade, when students dress up as their favorite book character, and the Young Astronauts who build and launch their own rockets.

The Middle School students enjoy such traditions as the Valentines Dance in February when they escort their favorite boy or girl to Cupid's Haven. They also enjoy the magazine sale and competing with one another for top salesman.

In the Upper School, Homecoming week is filled with traditions such as Mr. Ugly and the Spirit Chain, culminating with a parade of floats. Miss DWS, the Jr.-Sr. Prom, and of course the various sports seasons are strong traditions at DWS.

Seniors enjoy leaving school during lunch and study hall as part of their "priveledges." They also indulge in non-school traditions such as painting the dumpster and parking lot, the Sophomore-Senior Picnic, and spending Spring Break at the Summit in Panama City.

School pride makes traditions reality. With such pride, traditions are passed on to those who must keep them alive. From Spirit to Spring Break, DWS students carry on traditions.(by Tom Laslie)

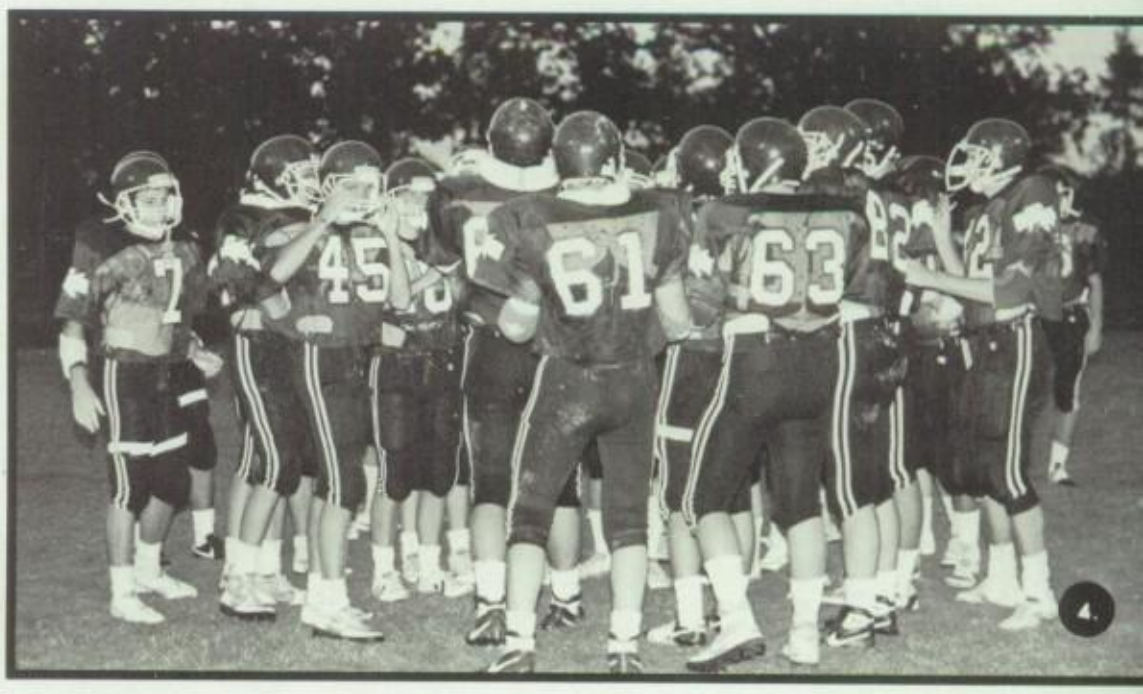
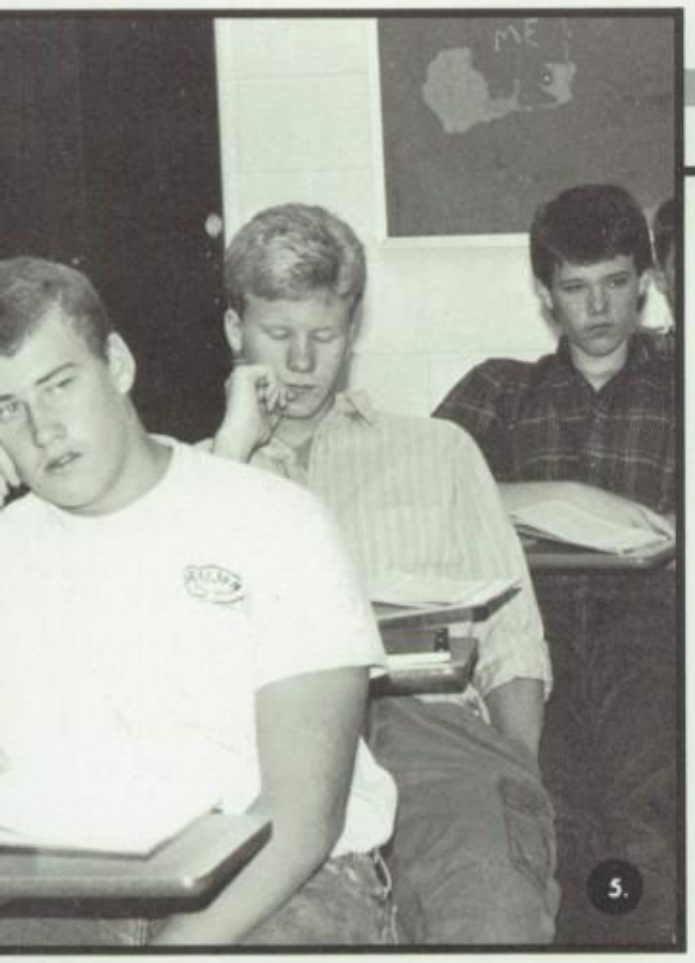
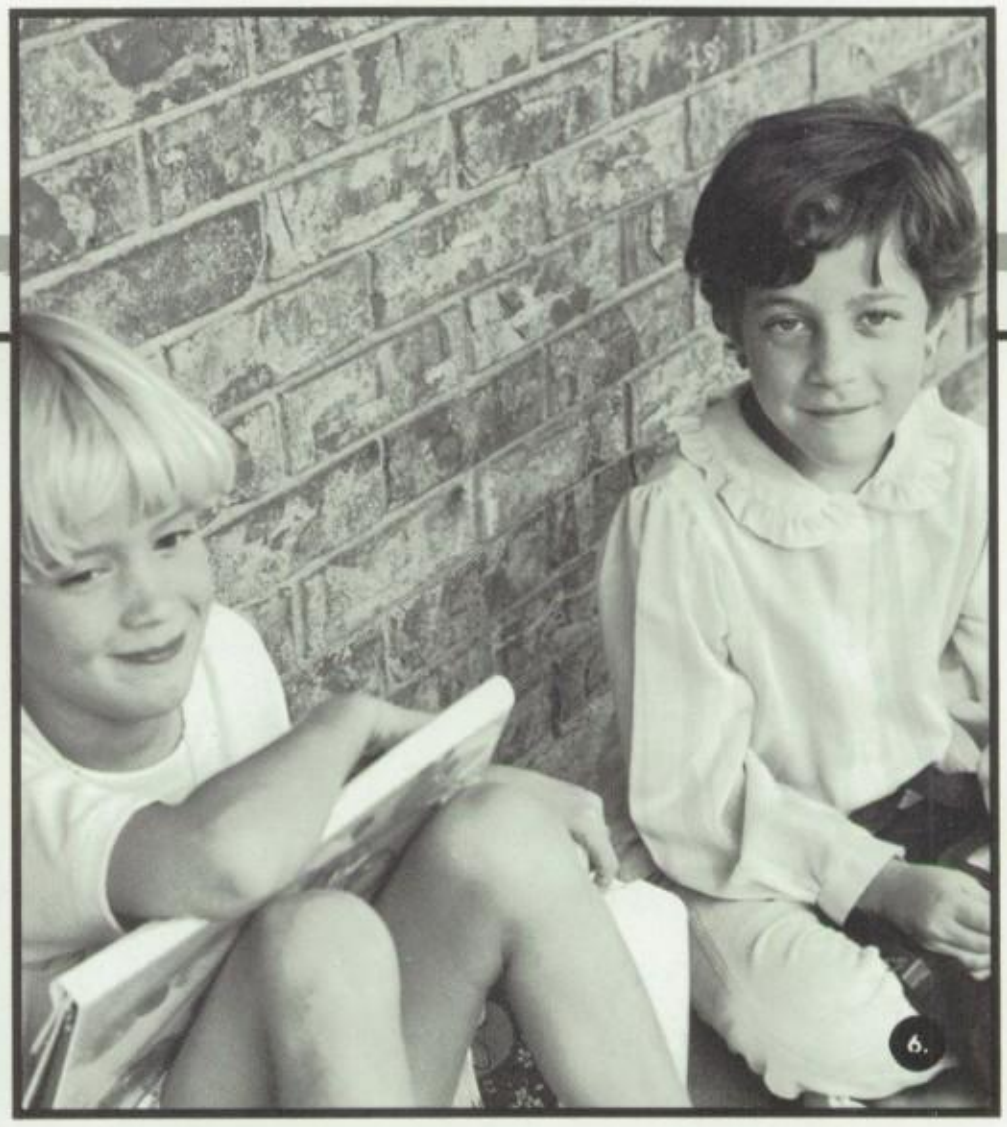
2.

3.



4.





1. Frank Sullivan and Douglas Nichols express what computer class is all about. 2. Annette Chang muses over a puzzling science test. We all know she's really posing for the camera. 3. Smile, the day is finally over! (Allison Dixon and Leigh Ann Margeson) 4. The football team gets ready to defend their record. 5. Classes at DWS are designed to intellectually stimulate the mind. (Mark Wright, Todd Dollar, Bobby Wale, Martin Wilson.) 6. Karin Adler and Aziza Hakim wait patiently for their carpools at the lower school. 7. The class of 1987 celebrate winning the Spirit Stick at Homecoming for the third consecutive year.

Thank God
It's Friday!

Weekends

Weekends. They are supposed to be the best part of the week; sometimes they are and sometimes they are not. Before reaching the age of 16, some find it difficult to go out on weekends unless, of course, Mom and Dad take us, which many consider to be "uncool." Going to the movies is popular while we are still in our early teens. Some students, however, date someone older or have lenient parents and are allowed to hang out with the older crowd. This doesn't mean much though unless there is something fun to do.

The activities we enjoy most are those with lots of people. Parties and sporting events immediately come to mind. We may "drop in" at Dodd's trailer to see who is there. If we have fun, we stay and mingle; if not, then it is on to someone else's house to watch MTV. We may also hit a football or basketball game in the third quarter to see what everyone is doing afterwards. On a normal night, we ride down Slappey or through Doublegate and end up at McDonald's by the Mall, the casual meeting place. After being asked to leave because we are loitering, we usually pile into one or two cars and hit the road again!

A favorite weekend pasttime for guys of all ages and a few brave girls is hunting. Students enjoy hunting deer, quail, or anything else that moves, and they even arise at 5:00 AM to do it. During the afternoons, we are found at Doublegate or the lake laying out or skiing, or at someone's house or the Mall. Around 7:00 we head back out on the town. If we do not go to the movies with a date, we just ride around, as usual, and look for our friends. To break the routine, we sometimes head for Athens with parents or friends. Going with friends enables us to party with the college crowd, including staying out to all hours of the night and jamming to the bands at the ΣAE fraternity house. Going with parents, however, usually means heading home after the game for a good night's sleep. On Sundays, we begin returning to a normal schedule and many go to church in the morning and at night. We also use Sundays to do our homework and to sleep, recuperating from Friday and Saturday nights. Although we may do different things, at different ages, with different people, we all agree that we just want to have fun!!

1. These students "punk out" at the pep rally. 2. Scott and Wojo use this opportunity to get close to Emily. 3. These two daycare students enjoy their first pep rally. 4. Confetti becomes popular with the 8th graders at the pep rally. 5. Fran Evans gets sleep as the sun sets at the homecoming game.

Let's Do Lunch!

Food

Since the begining of time, eating has become as much a social activity as a necessity. Soda shops and drive-ins the '50s and '60s have been replaced by fast food chains and delivery services. Today a meal can be delivered with thirty minutes by making a phone call. The most popular delivery meals are pizza and Chinese food.

The most varied eating habits are those of teenagers. Teenagers eat anything from Shanghai Chicken McNugg to raw oysters. On school mornings, some students rush to Mrs. Winners for a chicken biscuit. Others indulge McDonald's Egg McMuffin and hot cakes and sausage. During lunch a few privileged seniors leave campus and he for Pizza Inn, Chic Fillet, and Wendy's. The underclassmen eat lunchroom food such as fiestados, ham'n'chee steak sandwiches, hot dogs, hamburgers, french fries, doughnuts, and ice cream. Tuesdays and Thursdays speci include spaghetti plates, fried chicken, chicken'n'dumplings, and ham plates. Deerfield's lunches are very good!

When the 3:30 bell rings, homework is far from our minds as students stop for an afternoon snack. Coke icees a cherry blow pops are favorites we bought at the Kwickies, and some students even enjoy Banana Chilly Willies fr the Starvin Marvin. For those with a more hearty appetite, the yogurt shop offers such desserts as fruit-flavor yogurt on waffle cones, Yogwiches, Oreo milkshakes, hot fudge sundaes, and crepes.

While clothes and music are continually changing styles, favorite foods are eaten for decades. We no longer hamburgers and milkshakes at malt shops or drive-ins, but we eat the same foods at McDonalds or Wendy's. matter what different foods we like, students agree on one thing: WE ALL LOVE TO EAT!

2.

4.

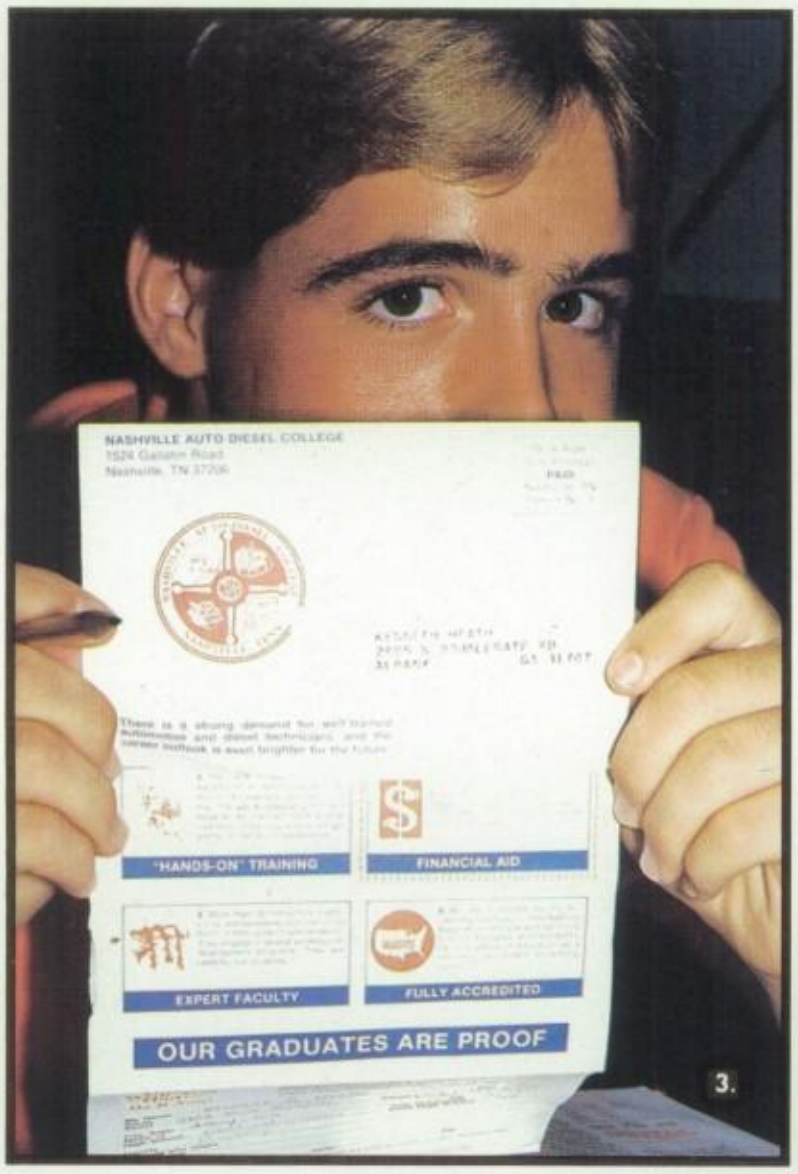
1. Brad is bad; Scott is tough; Travis is oblivious. 2. Break is fun but lunch is better.(Lee Rambo, Danielle Sheehan) 3. Jump back, Jack! We're having a snack attack. 4. Blowpops were popular even in B.C . . . 5. "Watch out, Lacy! These pizzas are mine and Helen's." (Jennifer Wise) 6. The snack snatcher strikes again. The victim is Christopher Nolting.

We Know We Are
But What Are You

We're Hot

At DWS we have had many influences in our lives. From school traditions, to the clothes we wear, music we listen to, food we eat, cars we drive, and even how we spend our weekends, we have built the memories we will always cherish. From Pre-kindergarteners to Seniors, eating has been as much a social event for us as it is a necessity. We enjoyed eating Chinese food, pizza, and hamburgers. Music filled our days and nights and influenced how we dressed, did our hair, and even our favorite expressions. We enjoyed wearing different styles of clothing depending on our personalities, but long baggy shirts for girls and brightly colored hightops for the guys were a must. While fashion and music were forever changing, traditions remained the same at DWS. From the first football game to the prom, our school has thrived,thanks to its traditions.

Our HOT year has been great but we have always needed weekends to break up our weekly routines. This year we got together and socialized by going to parties, getting a bite to eat,or even driving to Lake Blackshear. Of course, how we got to these places was always half the fun of any get together. Convertible cars have been very popular this year. Whether we drove ourselves and our friends, or we had to catch a ride with Mom and Dad, we all enjoyed the feeling of wind in our hair. It seems that while wearing our faded 501 Levis, eating pizza, and driving around in our convertibles listening to Kiss FM, another year has passed. But we will always remember this special time at DWS.



1. Pep rallies have made this year exciting. 2. Seventh graders Libby Butler and Kathy McGarity dress up as bagladies during the week of Homecoming. 3. Kenny Heath, honor scholar, plans for his future at Nashville Auto Diesel College.

Dedication

You have been a part of our memories and dreams at Deerfield-Windsor for many years and are today a vital link in our educational experience. You watched us as we moved from Lower to Middle School and took the time to help us grow up. You never forgot us even as we moved into tomorrow. For your caring and dedication to us and our school — thank you. With respect and love we dedicate the 1987 Excalibur to Mrs. Jeanette Wise and Mrs. Dot Rodgers.

1.Mrs. Wise and Mrs. Rodgers smile at their former students accomplishments at the intramural pep rally.2.Be careful what you do, Mrs. Wise is always looking over your shoulder.3."Where's my coffee cup, Jeanette?"4.If you ever have any trouble finding Mrs. Wise or Mrs. Rodgers check out at the track. They may be on their daily walk.5.Mrs. Wise's camouflage still could not hide her from her observant students.

Freshmen

Lacy Joiner, a very spirited Senior, has attended DWS for eight years, and cheerleading has been a very important part of her high school life. For the past four years, she has supported the athletic teams here at DWS, and she hopes to continue cheerleading throughout college. She has also been involved in FCA, Jr. Civitan, Student Council, and the Miss DWS Pageant. Outside of school, she enjoys dancing, jogging, exercising, and snow skiing. Lacy feels it is a great honor to be selected as a Senior Superlative and has really enjoyed her years at DWS. Next year, she plans to attend UGA.

Along with his athletic and academic ability, Rusty Ritchie, #19, is known for his humorous actions here at school. He is well-liked by his classmates and is easy prey for practical jokes. Since he rejoined DWS as a Junior, he has done his best to show true patriotism to his school in various ways. Being President of the Student Council is one of his main responsibilities this year. He is also involved in Varsity Football, Basketball, and Baseball and has received numerous awards in these sports. After graduation, he plans to major in architecture or sports medicine but is unsure of the college he will attend.

No matter what was happening around school, Jennifer Wise was there with a smile on her face. We will always remember her enthusiasm and spirit in every function she participated in. She has worked hard to serve her school as an active member in such organizations as Key Club, Civitan Club, Spanish Club, FCA, and Student Council. Because of her natural grace and dancing abilities, Jennifer participated in the Miss DWS pageant her Junior and Senior years. She received the Academic Achievement Award in Spanish III her Junior year and maintained a high grade point average throughout high school. Jennifer will probably attend the University of Georgia, but wherever she attends, she will undoubtedly add a great deal to campus life with her enthusiasm.

Though Tom Laslie is an outstanding athlete, his many honors in academics as well as athletics reflect his constant determination to obtain his personal best. In sports, Tom's honors include Most Versatile Baseball Player Award as a Freshman, Best Defensive Baseball Player Award as a Sophomore, and the Hustler Award as a Junior. He is an Honorable Mention All-State Player. Tom's athletic abilities by no means stop with baseball. He has also lettered in Varsity football and track. Tom was a prominent member of the Beta Club and won Spanish Academic Awards his sophomore and junior years. He served on the Annual Literary Staff all four years of high school and was editor his last two years. There is no doubt Tom cares alot about school participation. We certainly could vote our superlative, Tom Laslie, most likely to succeed.

Senior Superlatives

Starting Deerfield-Windsor in the tenth grade was no setback for Philip Pastino. His great personality and ability to get along with others made him very popular with students and teachers alike. Upon entering DWS, he became interested in the band and eventually became drum major. He was also very active in soccer, and during his senior year he was elected soccer team captain. Serving as soccer team captain and Beta Club President reflect his leadership qualities. Philip is also involved in many other aspects of school and community which include: Chemistry Club, Debate Team, lifeguarding in the summer, and he is an Eagle Scout. During his Senior year, Philip discovered another hidden talent; acting. He received Best Actor Award in region competition in the One Act Play and won second in state competition. Philip received a comprehensive scholarship and will have a wide variety of choices from which to pick his college.

Being popular, pretty, and talented seems to come naturally to Stacey Strickland. In her Senior year, Stacey was elected Homecoming Queen, Miss DWS, and given the Talent Award and Miss Congeniality Award in the pageant. Stacey has attended DWS since fourth grade and is well liked by everyone. In her spare time, Stacey enjoys dancing, cheerleading, and working as a lifeguard at the Elk's lodge. Stacey is a member of numerous school and community clubs such as Key Club, Student Council, Spanish Club, and Civitan Club. Stacey was given the honor of being a United Way Spirit Cheerleader, and she is a member of the Society of Distinguished High School Students. Stacey will surely be successful in whatever college or career she might choose.

Don't let her pretty face fool you-Haley Chapman is one smart girl. She maintained a high G.P.A. while also participating in many extracurricular activities. She is the perfect example of a well rounded student. Haley was active in many organizations as Beta Club, Key Club, Latin Club, Student Council and the Annual Staff as photographer. Haley stayed very active in Key Club and served as president her senior year. Haley's honors include the NEDT Award and she was a member of the Society of Distinguished High School Students. She was also on the Gayfer's Teen Board and she served as a Youth Advisory Council Representative. Although Haley kept herself busy in so many activities, she still found time to play varsity softball. Haley's participation in so many activities reflects her genuine interest in her school and community. Because of her great enthusiasm for life, Haley's future will most definitely be a bright one.

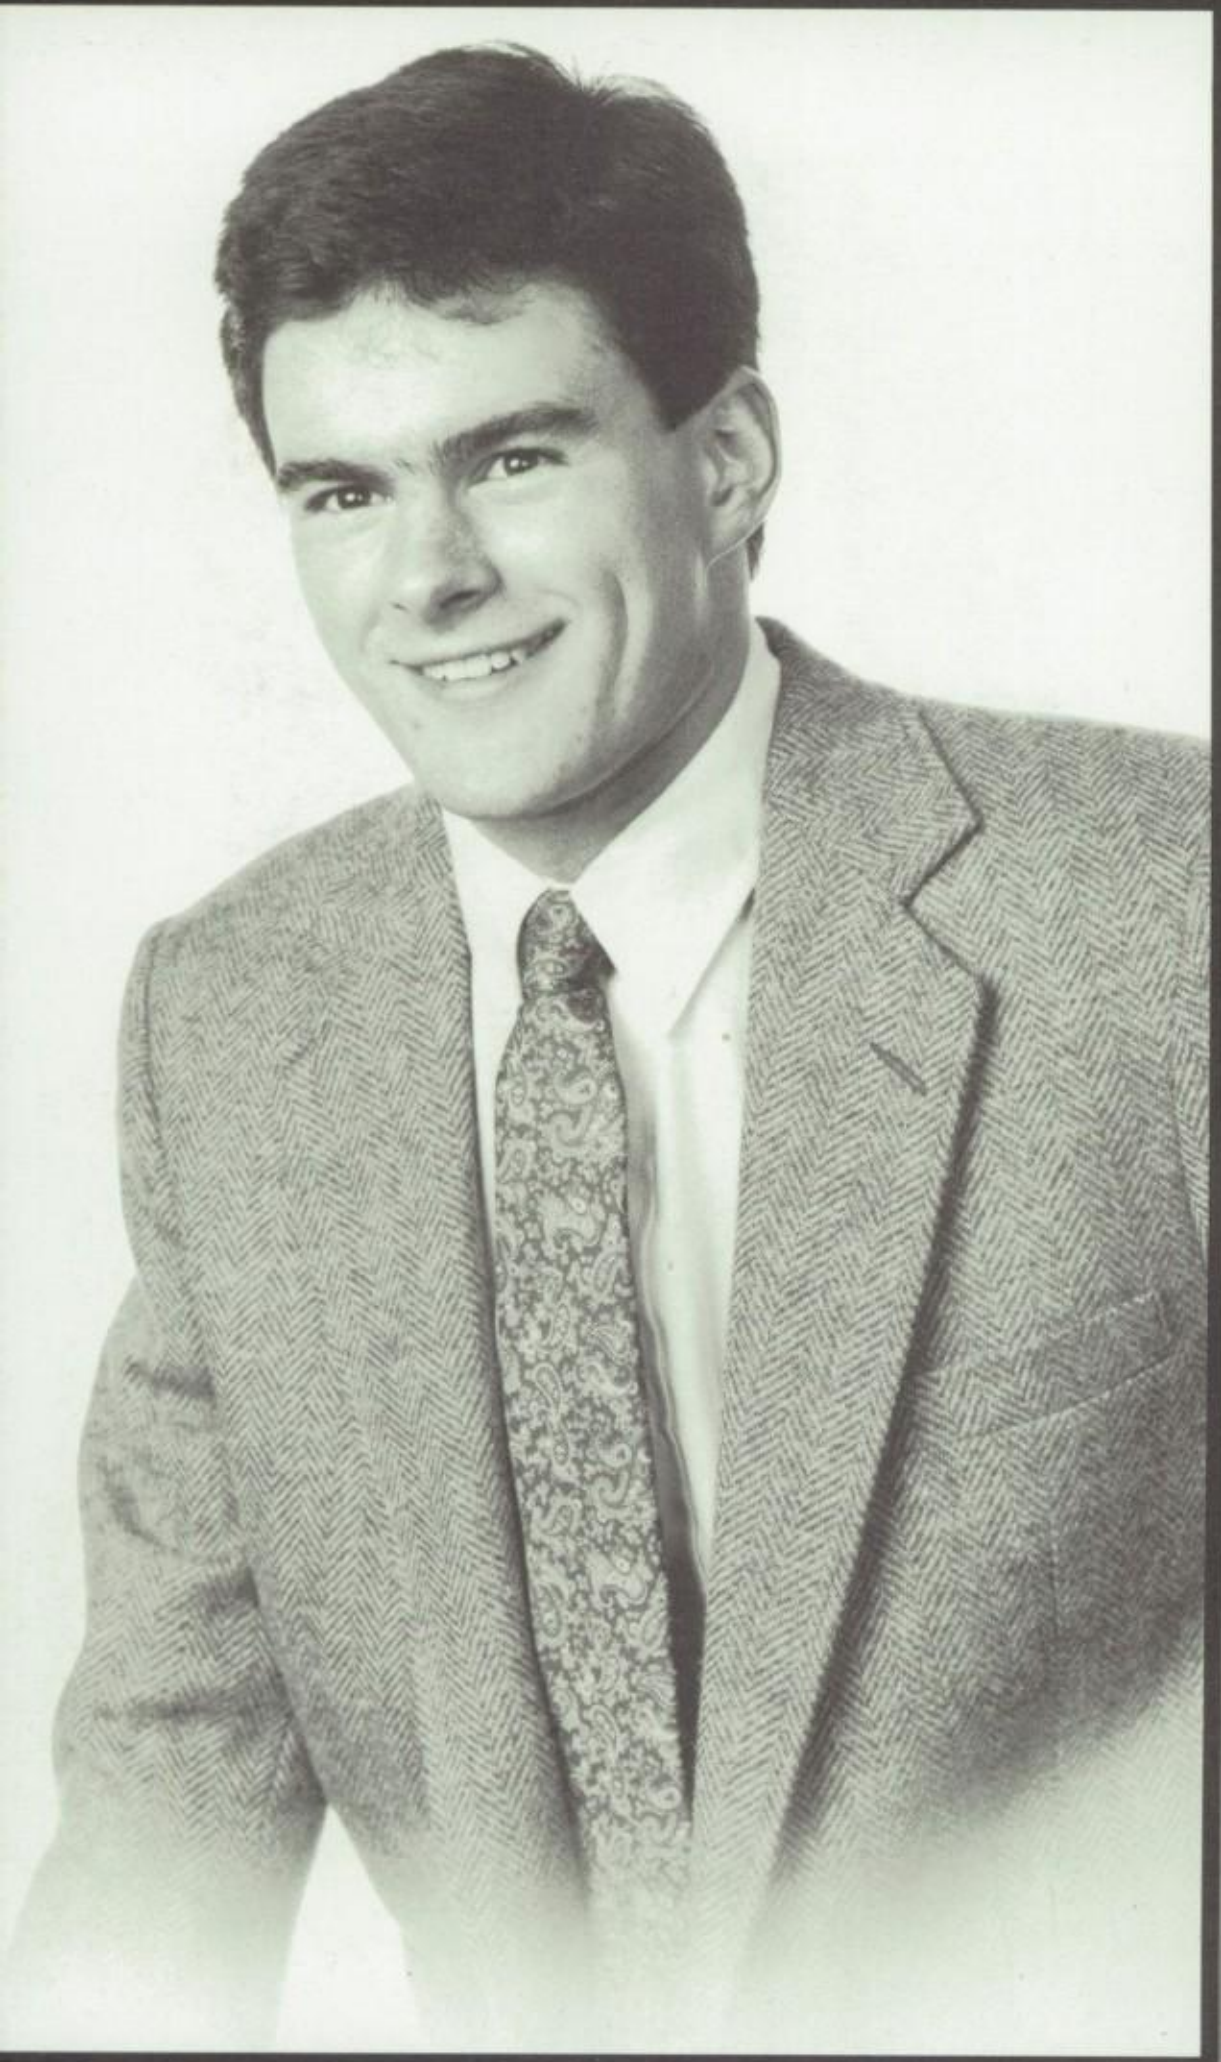
Just having superior intellectual abilities wasn't enough for Larry Cadorniga. He also succeeded in becoming an active member in clubs and athletics. He accumulated a seemingly number of honors including U.S. Achievement Awards in Latin and math, the Georgia Certificate of Merit, the Governor's Award Program in math, and the Woodmen of the World History Award. He is a distinguished member of the Presbyterian College Junior Fellows. Larry was also very active in school organizations such as the Latin Club, Beta Club, and the Chemistry Club. His talents and leadership qualities extend from the classroom to the soccer field. He participated in varsity soccer and served as captain his senior year. Larry is greatly admired for his outstanding qualities in all dimensions of life. He is a born winner and will excel in any walk of life that he may choose.

Miss Excalibur

It's no doubt that when her academic standings, her great personality, and numerous contributions to Deerfield-Windsor are all combined, Helen Collins is truly an All-American girl. Her outstanding accomplishments reflect her natural desire to be a significant part of our school. Helen, who has attended DWS since kindergarten, shows strong leadership qualities and is a good example to us all. With cheerleading experience since middle school, Helen was the captain of the Varsity football and basketball cheerleading squads this year. Her strong leadership qualities are also reflected by her position on the Annual Literary Staff as art editor her Junior and Senior years. Helen served as Student Council Vice-President her Junior year and as a member her Senior year. As well as being dedicated to serving her school, Helen has also stayed an active member in the Porterfield United Methodist Church Youth Group. When asked what plans she has for the future, Helen said she will probably continue the family tradition by attending UGA. Though we will miss her greatly, Helen definitely has a bright future ahead of her.

Helen Collins

Mr. Excalibur



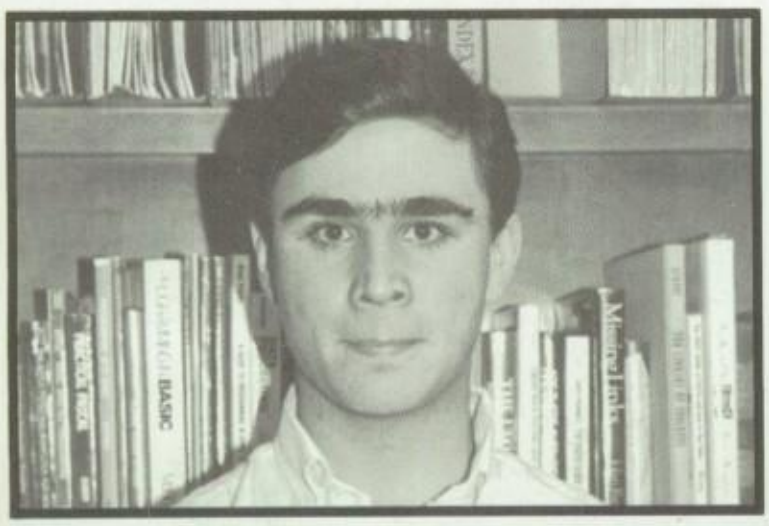
Alden Sherman, Mr. Excalibur, is a well-rounded student and athlete. Since entering Deerfield-Windsor his sophomore year, he has been involved in many activities and has taken great pride in his school. He has represented DWS on the Science Team, Debate Team, and the Literary Team, where he won first place in state piano competition. He is a member of the Beta Club and was chosen to attend Boy's State and Boy's Nation. He also participates in Boy's Quartet, Student Council, Honor Committee, and is Senior Class President. In the athletic area, he has taken part in football, basketball, and soccer. His great sense of humor, responsibility, and intelligence has also carried over into the community where he is on the First State Bank and Trust Board of Directors. Upon graduation, he plans to attend Emory University and major in pre-med.

Alden Sherman

Accolades

Cheerleaders — Camp at ABAC, cheering camp finalists, pom pon routine and chant champions, spirit stick winners.

Softball — All region and MVP-Teresea Brown, Hustler Award-Meredith Harper and Kelly Heath, Most Improved-English Dale



Golf Team — placed second in region and tied for second in state, Hobie Hind tied for third in all-state competition.

Ken Allen Rodgers Award — Helen Collins

Governers Honors Nominee — Kenny Heath

Literary Team — Alden Sherman placed first in region in piano competition, Kenny Heath placed third in region in essay competition.

One Act Play — Lil Williams, Jon Carr, Susan Hatcher(best actress award), Phillip Pastino(best actor award) placed first in region and second in state.

All Select Chorus — Karen Nix, Susan Hatcher, Ivey Adams.

Junior Riders World Championship-Jennifer Bateman

All Select Band — Joy Kuhn, Wendy Rosier, Emily Horvath, Wayne Anderson, and Edward Mann.

National Merit — Phillip Pastino, Larry Cadorniga, Alden Sherman, and Michelle Rambo.

Science Team — Larry Cadorniga, Phillip Pastino, Alden Sherman, Michelle Rambo, Leigh Ann Butlerplaced second among the AAA classification schools and second overall. Larry Cadorniga tied for first place for the chemistry award.

EAIS Academic Bowl Team — Larry Cadorniga, Ben Calhoun, Rob Hall, Kenny Heath, Hobie Hind, Steve Johnson, Chris Osborn and Alden Sherman placed second in a meet held at AJC, all star recognition was given to Hobie Hind and Chris Osborn.

Football — Stuart Gardner, Ben Hockensmith All Region, Will Geer All State, Ben HockensmithMVP, Greg Griffith and Jon Beall Most Improved, Stuart Gardner, Rusty Ritchie Shining Armor Award.

Math Team — Leigh Ann Butler, Larry Cadorniga, Ben Calhoun, Hobie Hind, Chris Osborn, Steve Johnson, Lee Bennet, and Chip Sumner. Kenny Heath tied for the individual top award.

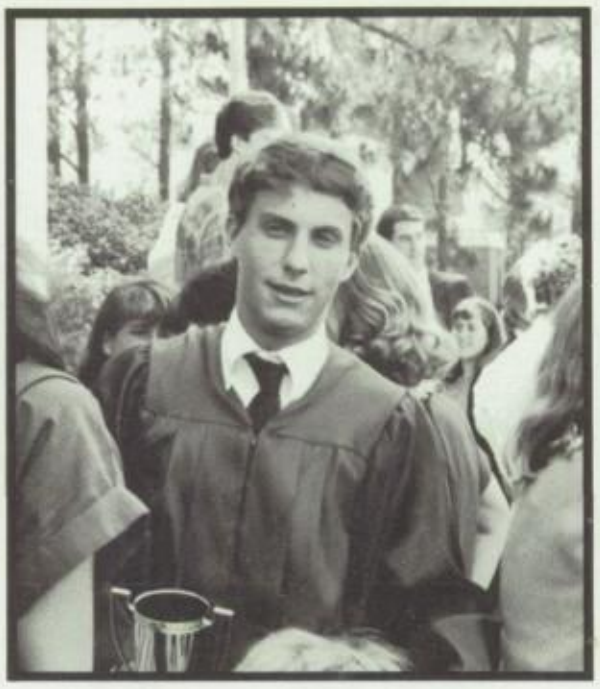
Boys' State — Frank Sullivan, Tom Laslie, Stuart Gardner, Rusty Ritchie, Bill George, Brant Mayher, Alden Sherman(boys nation).

Tennis — Region — singles — Margaret George, Chip James, doubles-Brent Barfield and Brant Mayher, Meredith Harper and Tracy Strickland, runner up in doubles — Paul Stevens and Martin Wilson, Soule Wilkin and Leigh Ann Margeson. State — Chip James singles, Brant Mayher and Brent Barfield doubles, Martin Wilson and Paul Stevens runner-up.

Baseball 86 — all region players — Keith Martin,Tom Laslie,Ben Hockensmith,Curt Gleaton,Mark Wright,Stuart Gardner,Rusty Ritchie.

Debate — Kenny Heath, Chris Osborn, Ben Calhoun, Steve Johnson, Hobie Hind, 1st place region, tied third place in state, first place negative team in Wiregrass, second place overall in Macon invitational.

Girls' State — Leigh Ann Butler, Melanie Thomas.



Matthew Eisele — Graham Lowe Award (Outstanding Senior and Academic Excellence)

Laura Haley — 86 Salutatorian (Second highest GPA)

Keith Martin — 86 Athlete of the Year (All State in Football, Baseball, and Track), Georgia Football All Stars.

Allison Stocks — Basketball All-Stars

John Bateman — Russell Grace Service Award.

Chris Taylor — C.Z. "Bobo" Webb Memorial Award, Scholar/Athlete and recipient of Beta Club Scholarship.

Helen Harper — Valedictorian (highest GPA)

Lin Johnson — Thomas C. Lackland Key Club Scholarship

Activities

Highlights Of Our Year

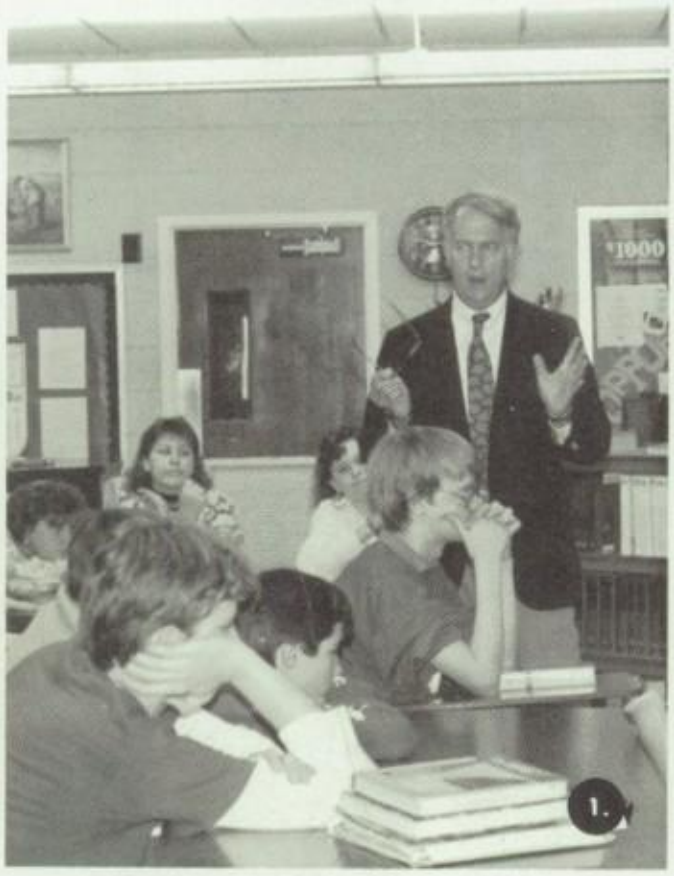
by Jennifer Wise

Field trips and other activities have been an important part of the year at the upper school. In October, Mrs. Gayle Doran and the Senior Biology classes travelled to Cuthbert, Georgia, to the farm of Dr. Ken Green where they studied and compared the plants they found. On January 29, Mrs. Edie Baxley and her Psychology classes visited the Southwest Regional Health Center in Columbus. They were able to see, first-hand, illnesses they had studied in class.

Activities also brought excitement, along with changes, to DWS this year. The student lounge took on a new look when it was painted. Also, the front drive was paved, greatly improving the driving conditions and enhancing the looks of our school.

The One-Act Play cast of Philip Pastino, Lil Williams, Susan Hatcher, and Jonathon Carr brought region and state honors home with their production of "If It Don't Hurt, It Ain't Love." Susan Hatcher and Philip Pastino also won Best Actress and Best Actor in region competition.

Students in the eighth and ninth grades took educational courses this year. Eighth graders took the Sex and Drug Awareness Course taught in part by Dr. William George. Ninth graders took the Drug and Alcohol Awareness program taught by Sgt. Ken Hudson of the Georgia State Patrol.



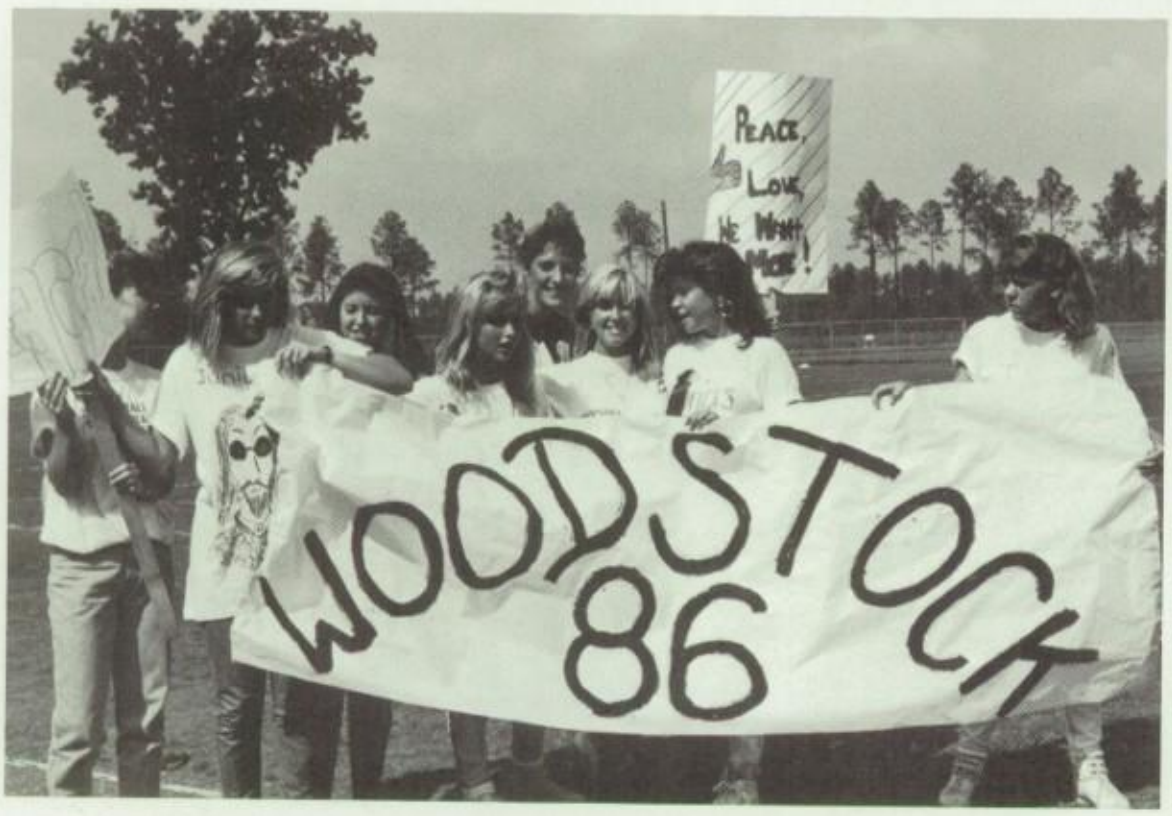
1.

2.

3.

1. Dr. William George talks with 8th graders during the Drug and Sex Awareness course. 2. Mr. Bobby Joiner participates in experiments for a science fair project. 3. Larry Cadorniga and Margaret Slaymaker collect plants for their herbariums. 4. The DWS front drive took on a new look this fall. 5. Lil Williams and Susan Hatcher perform their part in the One-Act Play. 6. Helen Collins, Margaret Slaymaker, and Haley Chapman clean up after painting the lounge. 7. Dr. Charles Hawkins presents some 9th graders with certificates for the Drug and Alcohol Awareness Program.

Those Were The Days



Homecoming '86

"Those were the days" was the theme for Homecoming 1986. The festivities started Monday with "Cool Down Day". Everyone enjoyed showing their spirit by wearing shorts and playing it "cool". Tuesday was the football player's slave day. The football players received a day of rest while their "slaves" carried their books and brought them their lunch. Everyone wore their camoflauge clothes Wednesday to "hunt for the Hornets". Thursday we all wore black, mourning the death of the Hornets. Friday we celebrated by having an hour-long pep rally which followed the traditional parade around the driveway and track. All week long the classes competed for the coveted spirit stick by decorating their halls, sheets, and floats, and by buying links for the spirit chain. The Freshmen won the sheet painting and float entries. The class of '87 won the hall decorations, spirit chain, and the spirit stick for the third year in a row. Stewart Campbell proved to be the ugliest football player by winning the Mr. Ugly Contest. We ended the week with an exciting football game against Westfield. The Knights came from behind to defeat the Hornets 21-14. Homecoming was brought to an end as our gym rocked with the "wails" of Silent Cry.

MISS DWS

Stacey Strickland

Come Rain or Come Shine

by Meredith Harper, Leigh Ann Butler, and Hollie Allen

The Beta Club worked hard to make the DWS Pageant a big success this year. Although it was raining outside on Monday, December 8, the gymnatorium was aglow as the thirteen lovely contestants shone brightly on stage. Philip Pastino, Beta Club President, gave an opening adress, and the competition was underway. Mr. Gordy Gruhl was the Master of Ceremonies again this year, introducing the girls and joking with the crowd. Mrs.Edie Baxley described the girls' dresses in the evening gown competition. Glenn Tennyson entertained the audience by singing "California Dreaming" with Stuart Gardner, Heath Garrett, and Alden Sherman singing backup vocals. Cari Flowers, Miss DWS 1985-1986, sang "The Greatest Love of All", "American Trilogy", and "I Know I'll Never Love This Way Again". The final moment then arrived as Stacey Strickland, Miss Senior Class was crowned Miss DWS 1986-1987. She was also awarded Miss Congeniality, and received the Talent Award. Laura Wiggens, Miss Key Club, won First Runner-up, and Heather Jones, Miss French Club, won Second Runner-up.

Heather Jones: Second Runner-up, Stacey Strickland: Miss DWS, Laura Wiggens: First Runner-up

Lower School Fun

Lower School Students Enjoy Many Fun Activities

by Terri Duggan and Lil Williams

The Lower School was involved in many fun-filled activities this year. The fourth and fifth grades participated in the speech contest in which they had to memorize a poem and recite it. They also enjoyed going to the Kennedy Space Center and the Agrirama. On November 12, Okefenokee Joe visited the students and even brought a snake! During Grandparents' Day, the students' grandparents visited and were given a tour of the school. The Lower School students enjoyed working with the Young Astronauts Program. Wesley McCoy, an Aerospace Education specialist from NASA's John F. Kennedy Space Center, visited the Lower School. The activities of the Lower School provided a fun and enjoyable learning experience for students.

1. Megan Dennis models a space suit for the Young Astronaut Program at the Lower School. 2.Bradley Lohn-Rouse, Chris Williams, and Bo Wester monkey around on their field trip to Rock Eagle. 3. Lower School students show their true spirit by coming to a football game on Halloween. 4. Callie Burt enjoys reading about her favorite subject, football. 5. Bubba Rooks and Jeff Curtis search for a good book to buy (or to read?). 6. The book fair had many books that were interesting to Analee Wilkin like dinosaurs! 7.Laura Sledge and Mary Catherine McNanmee find it interesting to read about horses. 8. Candance Jordan looks in the cartoon department for her favorite books.

Book Fair

6.

Learning to Enjoy Reading

by Terri Duggan and Lil Williams

This year, Lower School students participated in a Book Fair, which was held November 17-21, and February 9-13. Students in Kindergarten through the Fifth Grade enjoyed selecting books on their reading levels, and even parents were welcomed. The money made from the fairs went to buy new books for the Lower School, which will further develop the students' reading skills.

Albany's Sesquicentennial

The Year We Sang Happy Birthday To Albany

by Emily Eisele and Mrs. Suzanne Heath

Pride in Albany's heritage was embraced by all of Deerfield-Windsor on Sunday, November 16. Students and faculty alike celebrated in the largest birthday in the history of Deerfield-Windsor. Since the founding of Albany 150 years ago, the good life city has grown into a major economical center of Southwest Georgia.

On the day of the great celebration, more than 400 students, parents, grandparents, and friends enjoyed the afternoon topped off with appropriate birthday party refreshments. Lynn McKoy and Dr. Bob Goodin coordinated the planning and successful staging of the activities.

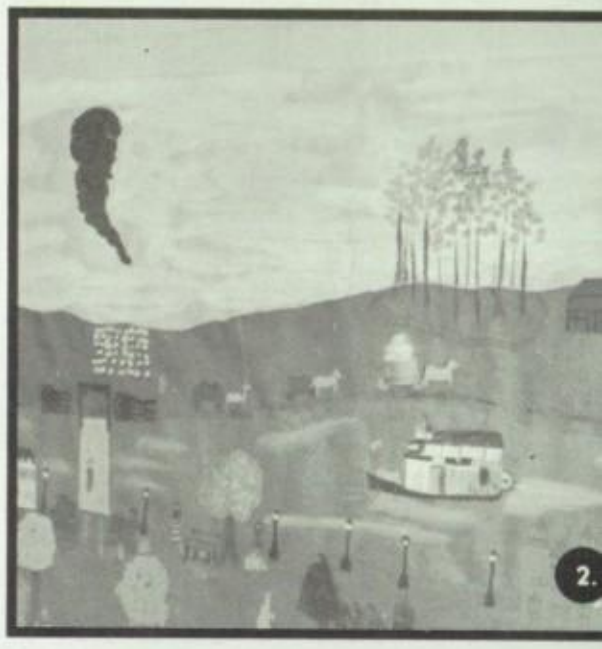
Even the smallest fry participated in our Sesquicentennial celebration. Mrs. Crawfords four year old's discussed the history of the Maypole Dance. Mrs. Crawford showed her class pictures of children dancing around the May Pole in 1928 at the Tarver Kindergarten which was directed by her mother, Mrs. Eagle Doty. At the celebration, Mrs. Crawford's class performed their charming version of the Maypole Dance as children might have enjoyed it 150 years ago. The kindergarten students studied the Creek Indians who inhabited our country over a century ago. The children constructed a mural which depicted the Indian villages along the bank of the Flint River.

The first graders participated in the celebrated day by touring Albany's historical sites. They learned about birthdays and time spans, Nelson Tift, and early life in Albany.

The Deerfield-Windsor Key Club joined in the celebration entering a float representing our school in the Pecan Festival Parade on October 18.

Our contributions to this community wide celebration is a source of great pride for each of us in the Deerfield-Windsor School family.

1.



2.

1. Brent Howze says "B is for the Bridge House where jolly times were spent." 2. The Third Graders contributed to the celebration by painting a mural. 3. The Second Grade class created a diorama of early Albany. 4. Second Grader, Karen Adler shows off the Sesquicentennial quilt made by her grade. 5. Upper School students participate in the play written by Chris Osborn, "The Scarecrow and the River of Opportunity." 6. Lower and Upper School students participate in the Albany Sesquicentennial celebration parade on the float made by the Key Club. 7. Mrs. Walker's first grade class enjoys singing in the Sesquicentennial celebration. 8. The third grade gives us a good description of early Albany using each letter of the alphabet.

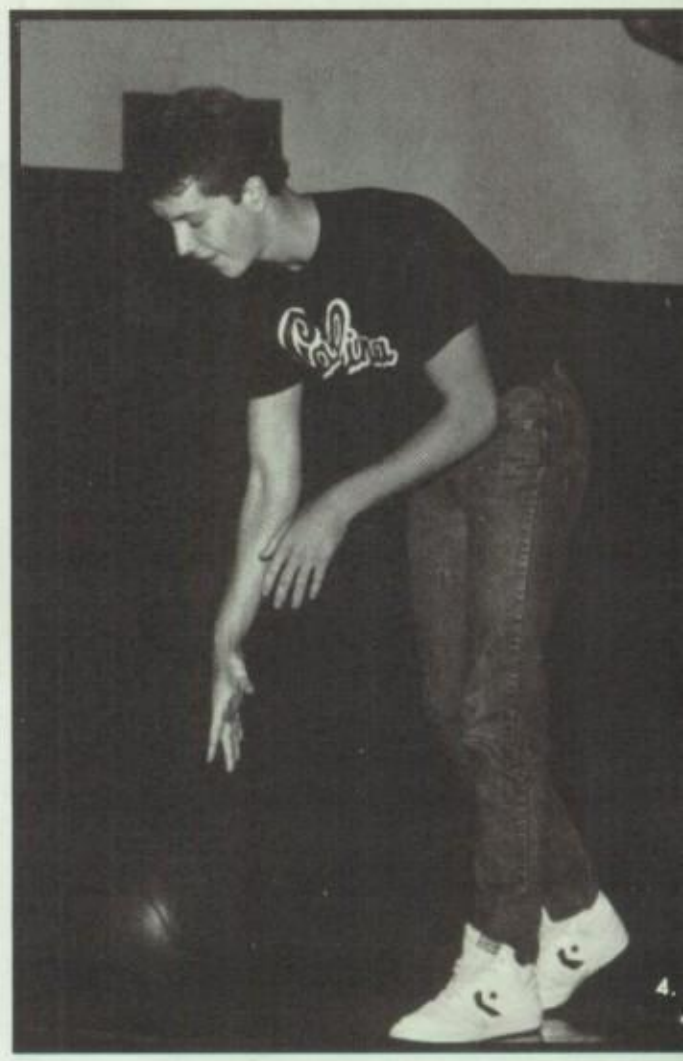
Magazine Sale

Magazine Sale Is A Great Success!

by Emily Eisele

This year Deerfield-Windsor's magazine sale was another success. Overall subscriptions totaled $58,276.32. Lower school sales were $37,640.34 and the Middle and Upper Schools contributed $20,635.98. Deerfield-Windsor receives 40% of this money — quite a boast to the General Operating Fund of the school. The Student Council and Junior Class each received 10% of the sales for Upper School and Junior Class respectively to help finance their particular school projects.

Many thanks to all parents, students, and friends of Deerfield-Windsor who participated in this year's drive! Special thanks to Susan Rowell, Gail Williams, Gayle Chapman, Henrietta Singletary, Gena Moorhead, and Betsy Walden for chairing the drive, Barbara Strickland and Linda Culpepper, Treasurers, and especially to all room mothers who gave their time each day for the duration of the sale.



1. The top homeroom salespersons in the Middle School were Dave Hill, Lauren Walden, and Kenny Letcher. 2. The top homeroom salespersons in the Upper School were Jennifer Bateman, Juli Carter, and Paul Stevens ... 3. Allison Elkins prepares for the frisbee throw. 4.Scott Chancellor is ready to sink the basket from half court. 5. Several mothers dedicate their time each year to organizing the magazine sale.(Jean Willis, Cecelia Williams, Susan Rowell, Katie Ventulett) 6. Like grandfather, like granddaughter!(Barbara Mixon) 7. Mitzi Jordanand her grandmother are great pals. 8. Kevin Williams — the original womanizer!!

Grandparents Day

6.

8.

Our Way To Say We Love Our Grandparents

by Emily Eisele

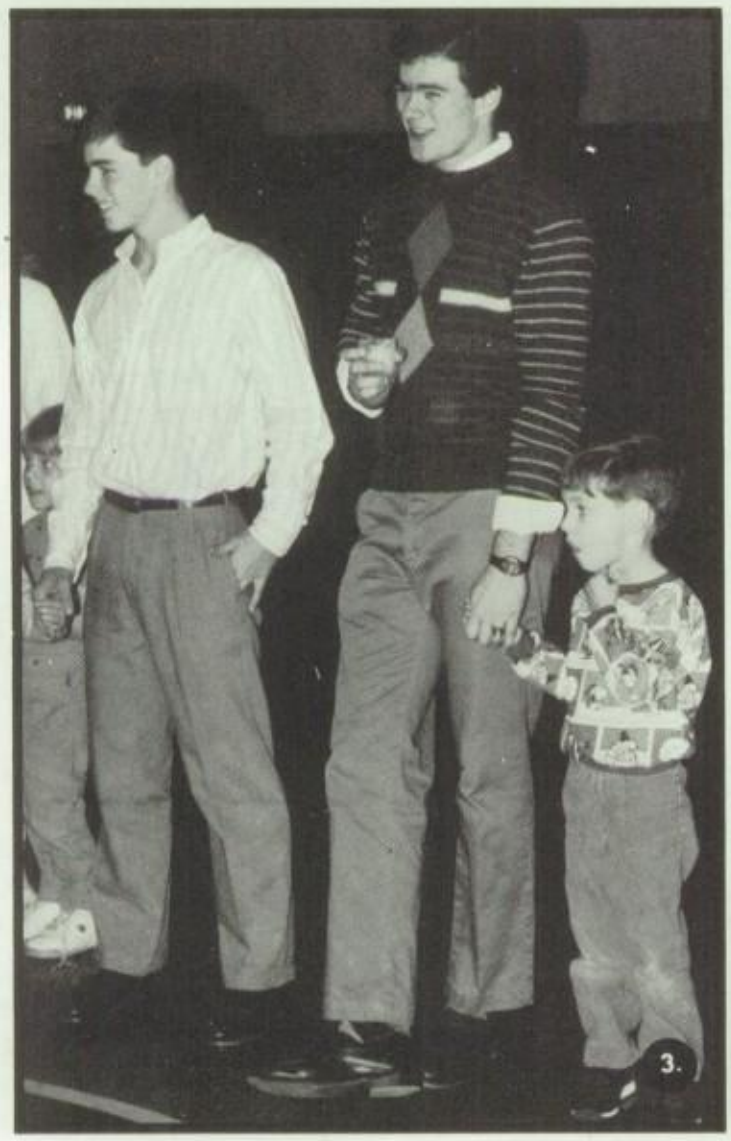
There are four people as interested in a child's life as his or her parents - his grandparents. Most all of us have fond memories of Sunday afternoons, eating Grandmom's freshly baked cookies and telling tales with Granddad. We are proud to invite these four most special people to share in our lives. Every year we do this by reserving a special day for them at Deerfield-Windsor.

This year Grandparent's Day was held on September 18. The PTO sponsored the activities held on the Lower and Middle/Upper School campuses. Over 350 grandparents attended the events held in their honor. In the morning, students showed them around the campus, allowing them to see what everyday school life is like. Following the touring of the school, students and their grandparents congregated in the gym. Mr. Griffeth gave the grandparents a warm welcome before they sat down to eat a delicious lunch.

Grandparents day has become a tradition at Deerfield-Windsor. It is a great way for students and their grandparents to become closer and learn more about eachother. We hope to keep this meaningful day alive in the years to come.

Christmas

1. The Upper School Chorus sings "Toyland" as Dr. Goodin plays the piano. 2. Annette Chang plays the violin while Joy Kuhn accompanies her on the flute. 3. Members of the Student Council sing "Silent Night." 4.Greg Griffeth, Lacy Joiner, and their children celebrate Christmas with their friends. 5. Glenn Tennyson is such a showboat. 6. Mrs. Crawford's class gives a presentation at the Christmas assembly. 7. The "stable animals" sing of Jesus and Mary in Bethlehem.



5.

6.

7.

O Come All Ye Faithful, Joyful and Triumphant

by Emily Eisele

Each year, the feeling of Christmas fills us with a special warmth that makes even the dead of winter seem brighter. Our lives are filled with thoughts of pretty wrapping paper, long, restful vacations and candy canes. We all look forward to feasting on hot savory dinners with relatives. Amidst the confusion, we strive not to forget the true meaning of the holiday — the birth of Jesus Christ.

Every Christmas for the past eight years, the Lower School students have purchased gifts for the children in St. Judes Research Hospital in Memphis, Tennessee. Gifts are bought with money earned doing chores at home. This year in a special candlelight ceremony on the last day of school before the holidays, the children brought the gifts. The presents were taken that same day to the children at St. Judes and distributed by Santa Claus.

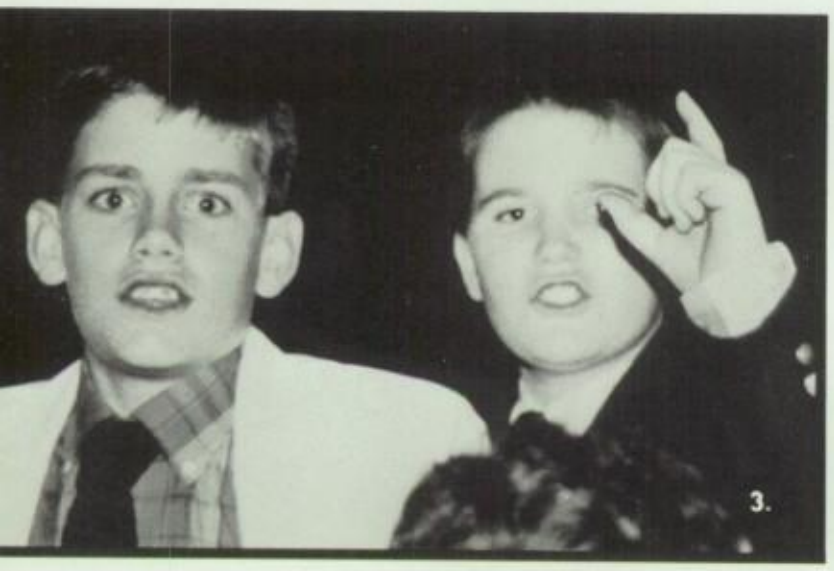
Over 300 parents and grandparents attended the First and Second Grade Christmas program held in the Lower School on Tuesday, December 16. The first graders individually and collectively sang Christmas carols on rhythm instruments. The second graders presented the play "Once Upon A Manger" by Mary Kay Beall and John F. Wilson. The program was very touching and very successful!

The PTO held their Christmas meeting and program on Thursday, December 11, at the upper school. Students from the third and fourth grades performed and middle school choral groups and the Girls' Quintet sang carols to the accompaniment of Dr. Goodin on the piano.

The Middle and Upper school students held a special Christmas assembly on the last day of classes before the holidays. Christmas spirit rang through the gym as students, parents, and faculty poured in. Canned goods for the Salvation Army were brought in and placed around the Christmas tree. To conclude the assembly, the lights were dimmed, candles were lit, and everyone sang "Silent Night."

Halls were quickly emptied by students rushing home to begin the holidays as thoughts of colorful bows on shiny paper, delicious meals, and loved ones danced in their heads!

Valentines



1. Middle school students are quick to get to the dancing floor! 2.They're playing our song.(Leigh Ann Strickland and Chad McGrath) 3. Jud Turner and Paul Hardin love having their picture made! 4. Jennie Gardner and her friends fight over a boy. 5. Monty Johnson knows how to boogie. 6. Let's go get 'em girls! (Leigh Ann Tolbert, Betsy Campbell) 7. As the dance gets underway, these boys are a little timid.

5.

6.

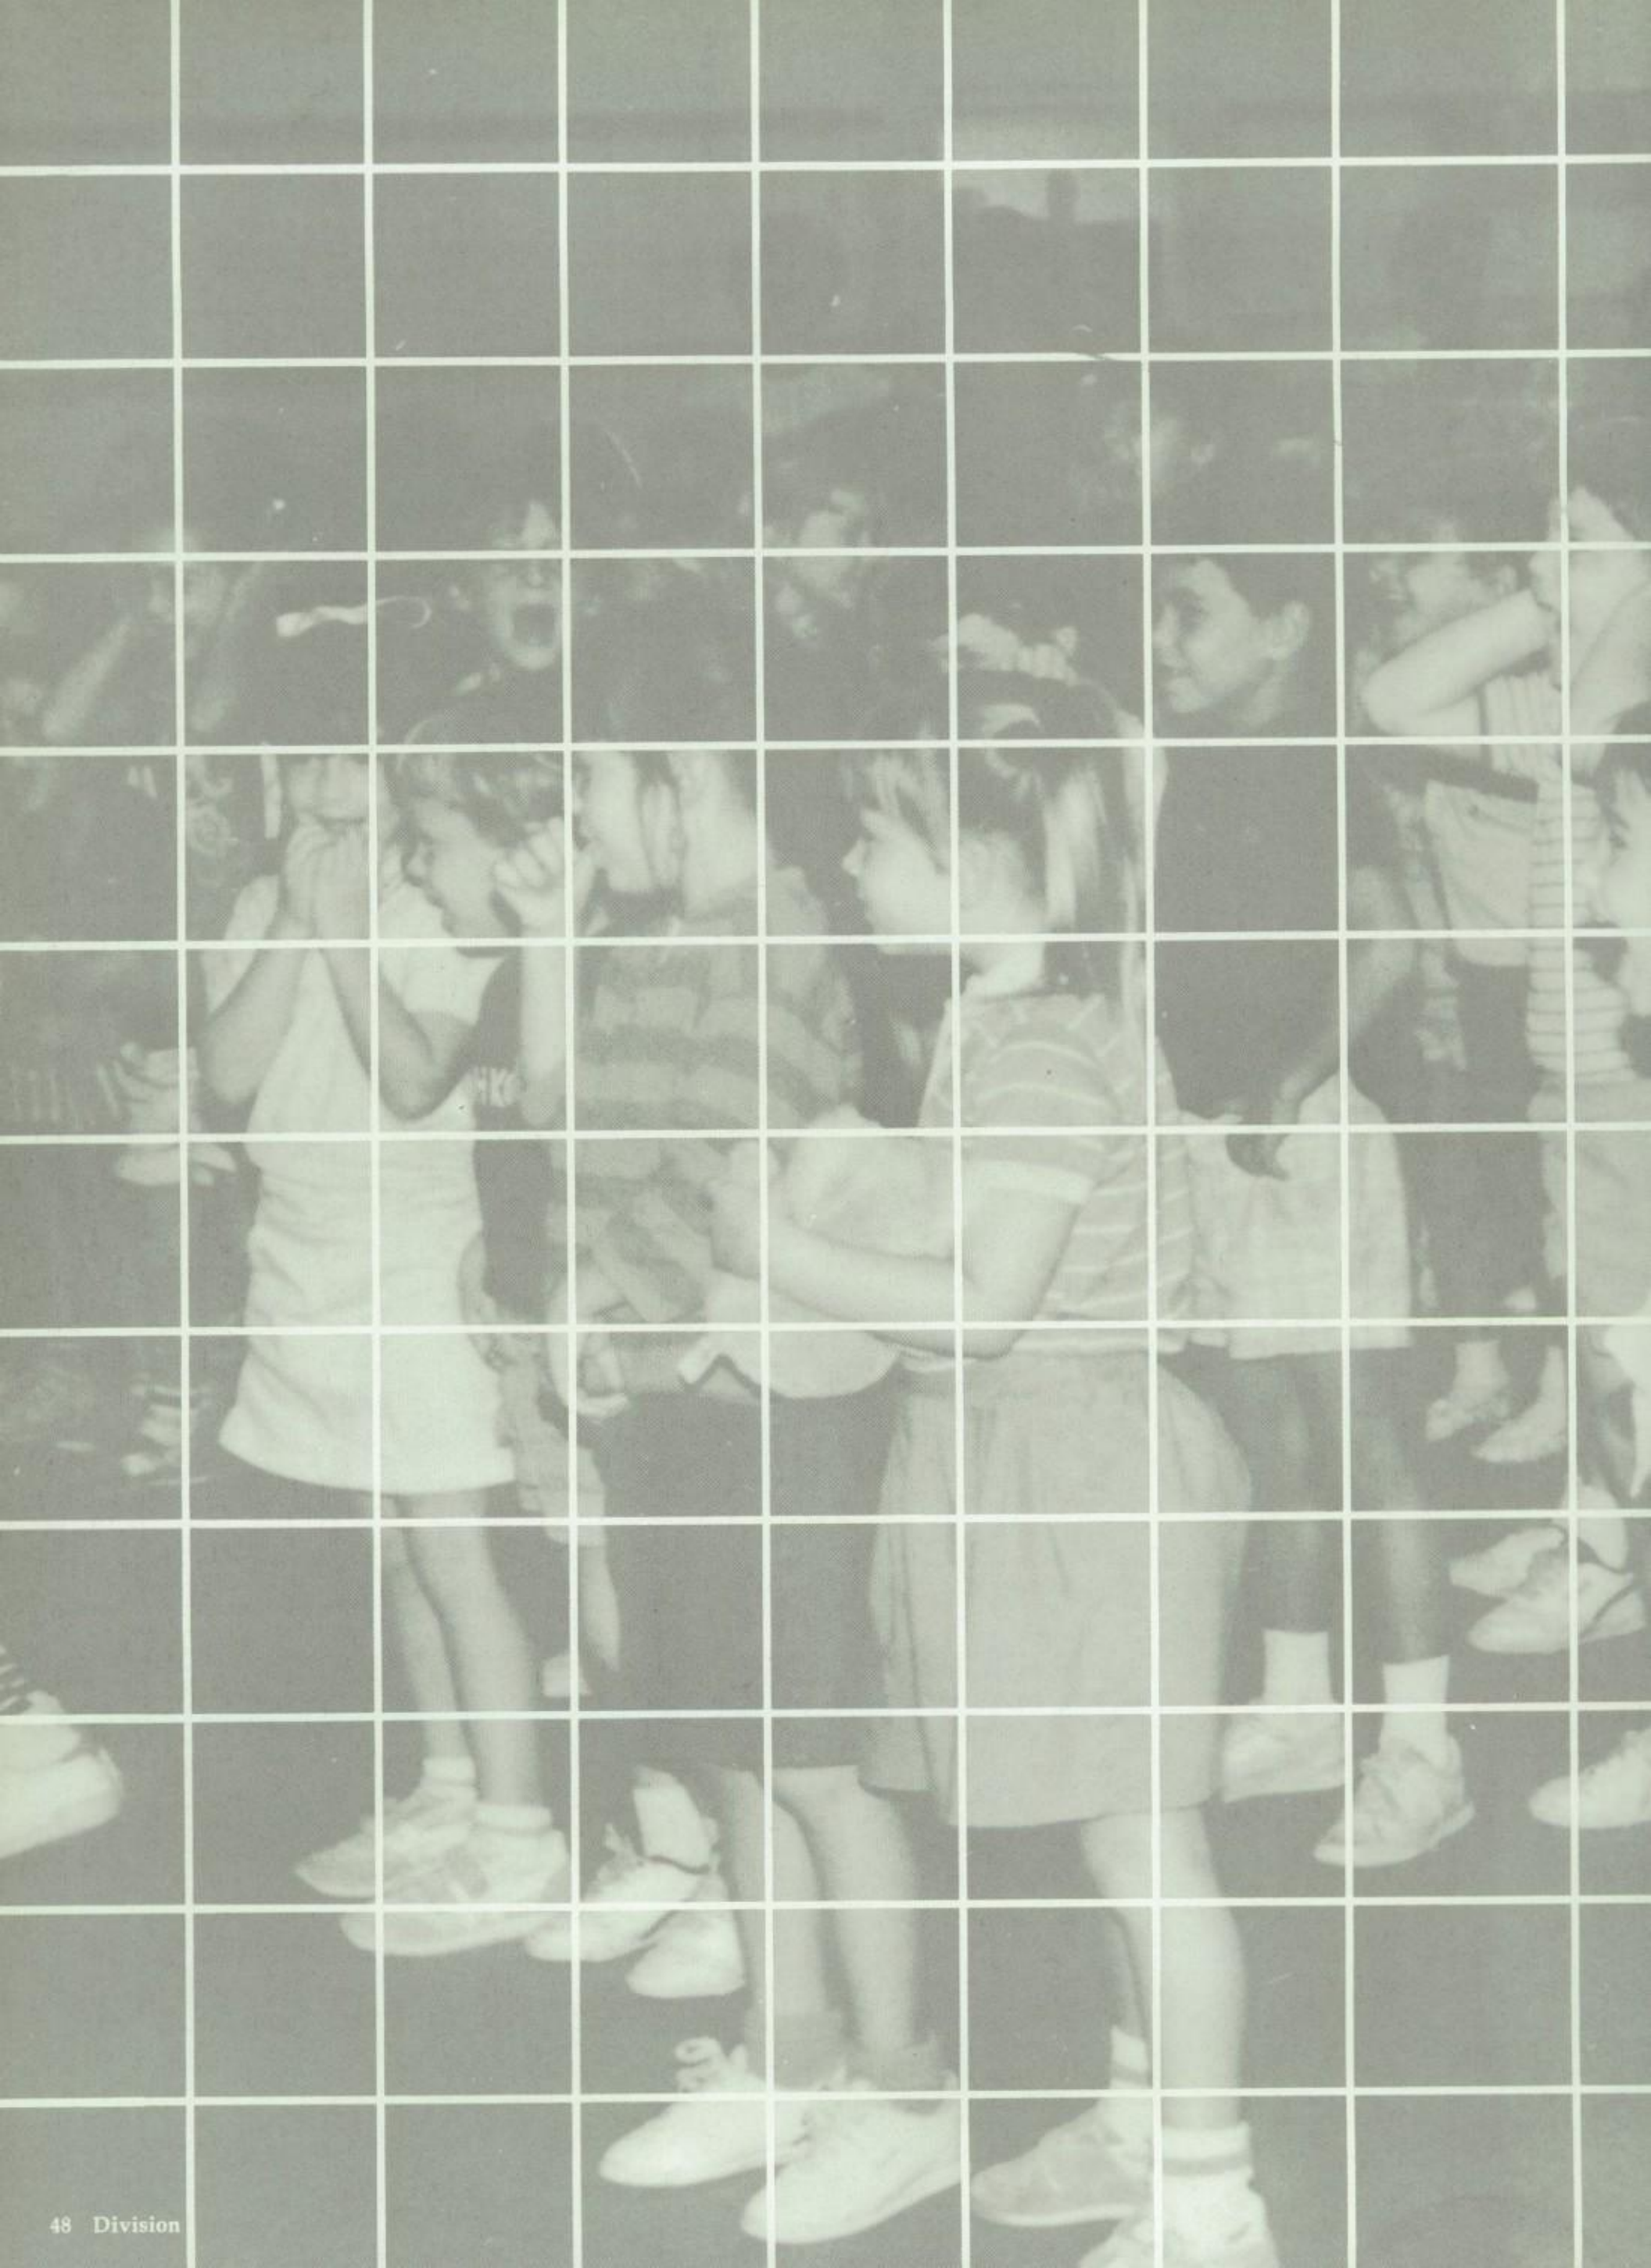
7.

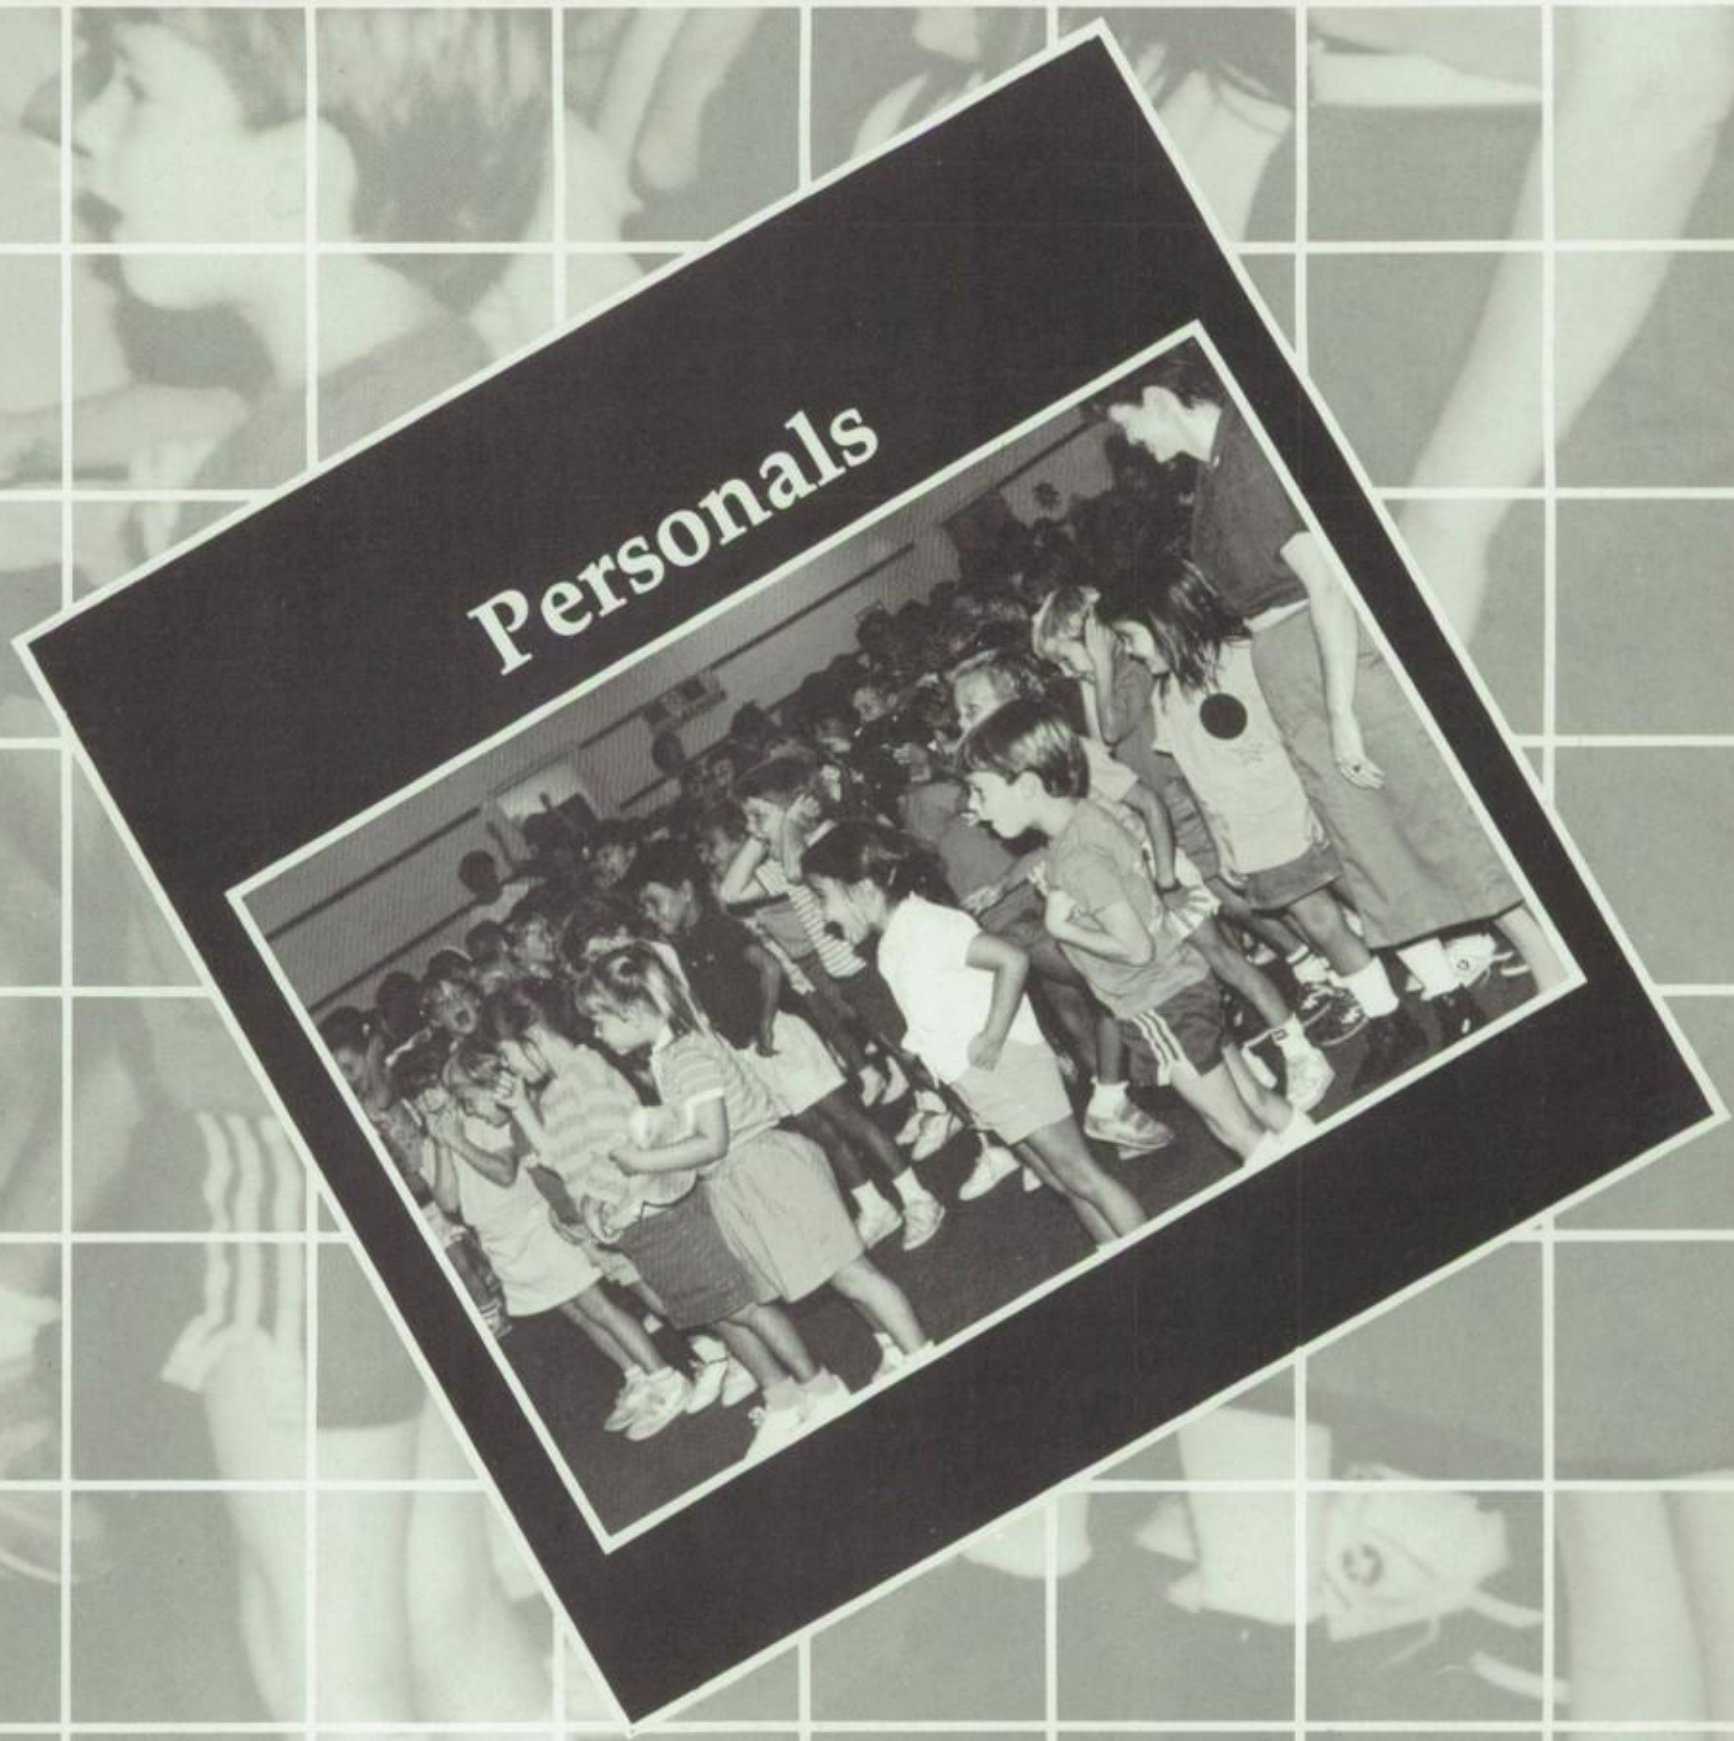
Cupid Drew Back His Bow At The Dance

by Emily Eisele

Valentines Day is a day of roses, hearts, and secret love notes. For the middle school students, it is also the time they busily prepare for a Valentines dance. This year the theme was "Alice In Valentineland." Students spent the week before the dance making decorations that correlated with the story "Alice In Wonderland." By the night of the dance which was held on February 13, the gym was beautifully decorated with colorful characters such as the Mad Hatter, the Cheshire Cat, and of course, the Queen Of Hearts.

Once again, Monty Johnson was the D.J. at the dance. Middle school students poured in the gym and quickly began to "boogie." Refreshments were served for those hot and thirsty partiers. At about eleven Alice and her friends had to leave Valentineland but with great memories of a funfilled evening.





Personals

Class Of 2000 . . . Looking Ahead.

by Kelli Mitchell

School!! What a change from spending our mornings and afternoons watching TV and playing. In Mrs. Crawford's pre-kindergarten class we learned our colors, numbers, and capital letters. Each Wednesday was Letter Day. Our activities began with the letter of our day. For example, we batted balloons and baked brownies on "B" day.

We had a Thanksgiving program in which we dressed as Indians and Pilgrims, a Christmas program and a Spring program. To celebrate the sesquecentennial, we had a maypole dance.

The month of May is devoted to field trips. We visited Krispy Kreme, Oakfield Dairy, the zoo ,post office and airport. We also went out for lunch to Pizza Hut and McDonalds.

We really enjoyed our first year at school and look forward to our future years at Deerfield-Windsor.

1. Christie Cannon and Lindsey Baxley take a break from playing to smile for a picture. 2. Stephen Stocks shows great talent as he walks on the balance beam with a book on his head. 3. Katie Anna Burt and Danielle Sheehan wait for Mrs. Francis Crawford to pass out crayons and paper. 4. Lydia Ealum concentrates on her puzzle.

Preparing For Tomorrow

by Kelli Mitchell

We had lots of fun learning new things and preparing for first grade. We learned to read and add and subtract. We had units on the seasons, and in science and social studies. We also learned about space, safety, and dinosaurs.

Several times during the year we went on field trips. Some of the places we visited were the fire-station, Christmas tree farm, and the animal hospital.

One of our most enjoyable activities was the Thanksgiving feast. We dressed like Pilgrims and Indians and had Thanksgiving lunch. We also had a big Christmas program and painted a mural for the sesquecentennial.

We enjoyed our year and are ready for our first year of "real" school.

A Learning Experience

By Helen Collins

We never realized what a big step first grade would be for us. We looked forward to it all summer, but when we finally got to school the days were longer than we ever expected. It was fun eating lunch with our friends and playing at recess, but the reading, writing and arithmetic was a challenge. To break the long days of school we often went on field trips and had holiday parties for every occasion.

Birthdays were also fun as we celebrated them during class. Of all the adventures of the first grade, Mac Singletary and Walker Langley say they enjoyed recess the most. Show and tell was also a favorite among the students. Actually that seems to be everyone's favorite. All in all, first grade was a real challenge. With the help of our teachers, Mrs. Walker, Mrs. Finnicum, and Mrs. Stiller we will be good and ready for the second grade.

(1) Mac Singletary enjoys watching his fellow classmates, Whitney Walters and Sarah McCollum work hard on their lessons. (2) Haley Wars enjoys her recess on the playground. (3) Dereck Williamson, Crit Jordan, Trey Henderson, and Justin Wolf are carefully listening to their daily story.

Second Graders Learn New Skills

by Jeff Gaccione

This year was filled with new experiences for us in the second grade. We learned many new academic skills as well as more about how to act toward each other. It helped us learn how to write sentences and paragraphs. This year for the first time we made our own newspaper which we sold for a nickle a piece.

In math, we learned addition and subtraction and a little multiplication. In the second grade our teachers try to teach us how to talk through problems when something upsetting happens.

This year in the second grade we went on a lot of field trips. For the sesqusentenial we went on a tour of Albany. For the science section we studied animals so we went to Chehaw Park, Dr. Joiners's clinic and the pet store. We also went on a field trip to the bank to learn about money.

On the weekends or on our free time we like to play with our friends, ride bikes, and many of us like to ride horses. When we're not doing that, we like to go hunting, fishing, and other outdoor activities.

We have had a great year and look foward to many more.

1. Second graders jam at a pep rally. 2. Megan Dennis just loves school. 3. Melissa Jenkins climbs on the bars at recess.

Trips Make Year Fun And Exciting

by Warren Myers

Our third grade year was full of fun and enjoyment as we not only learned our reading writing and arithmetic, but about ourselves. This year we took many trips to go along with what we learned in class, including special trips to Westville and the Fort Gaines dam. We also enjoyed our trips to the Thronateeska Museum and the cemetary, where we did a grave rubbing on Nelson Tift's tombstone.

We did several things to make reading more fun, including winning a free pizza for every one hundred pages we read, dressing up as our favorite character to do book reports, and writing a letter to Lorna Balian, our favorite author. We also wrote our own tall tales and biographies for creative writing.

To help Albany celebrate it's one hundred-fiftieth birthday, we made our own Sesquicentennial posters and dressed up like the children would at the time Albany was founded.

Our favorite subjects this year were math and science, where we learned our multiplication tables and studied about insects and world forests. All in all, this was a great year and we will miss our wonderful teachers, Mrs. Beckham and Mrs. McCoy, who guided us through the year.

1. Willie Hakim waits patiently for his ride after school. 2. "Hey wait a minute, I,m supposed to be taking your picture!" says our photographer. Patrick Minge and Jeremy Patrick 3.Collier Kidd, Stacy Southwell, and Betsy Wolfe are fascinated by an Upper School pep rally. 4.Third graders have fun making faces at their teacher.

A Year of Fun and Learning

by Terri Duggan

We had a great time in Fourth Grade this year. We learned how to do two digit multiplication, how to deal with money, and we also learned the poem "Cats", by L.S. Eliot. Our field trips were very exciting. We visited Wakulla Springs and even a cemetery! At the cemetery, we did grave rubbings and discovered that the founder of Albany, Nelson Tift, was buried there. We collected cans again this year, and the money we made helped buy playground equipment, typewriters, and computers. The computers helped us learn about math, science, and English. We participated in the "Book It" program, and the Young Astronaut Program. We also enjoyed playing in Junior Pro Basketball. Our favorite subject was reading, and we also liked working with graph paper. Our Valentines, Christmas, and Easter parties were a lot of fun. We had a great time this year, but we can't wait until we're Seniors of the Lower School!

Heading For The Future

by Meredith Harper and Anna Eisele

From Junior Pro basketball to the Young Astronauts Program we have been very active. The fifth grade has been on many field trips this year. We have visited the agrirama in Tifton, we have been to Rock Eagle, we have visited Andersonville and have had the privilege of seeing our president, Ronald Reagan in Columbus.

Of the many things we have studied, from American History to map skills; weather, space, and nutrition seemed to be the favorites. When we studied weather we learned about different cloud formations and forecasts. When we studied about space we learned about the planets and our solar system. During our studies of nutrition we learned about the different food groups and how to eat well.

Many of us in the Young Astronauts Program have studied space and flight patterns. We have made rockets and launched them ourselves. Studying about NASA and space exploration has been very enjoyable this year.

Although fifth grade seemed to be harder than fourth, we all enjoyed being the seniors of the lower school. Our teachers, Mrs. Rees and Mrs. Kinsaul, were great and we'll really miss them. After visiting the upper school we are all looking forward to being on the campus next year.

It's time for a New Beginning

by Tammy Bryant

Our first year in Middle School was the best. Sixth grade was a lot different than Lower School but we adjusted fine. This year we have shared many new experiences. Among them, one of our favorites was our awesome pep rallies on Fridays. Throwing confetti was what really made pep rallies exciting; not to mention our great class spirit. We really enjoyed being involved with the Homecoming activities. The theme for our class was "Being Babies". Have you ever seen a Sixth grader in a diaper? Our first "real" dance was fun. We had our own disc jockey who played all of the best songs. Our Valentine dance was one to remember also. We danced the night away with all our friends and had a blast.

Our new teachers (Mrs. Wise and Mrs. Rodgers) have taught us so much this year. It wouldn't have been the same without them to guide us through the year. We've really had a wonderful time this year with all our new experiances. Having two breaks during school was great. Finally, we get to have cokes with our lunch.

We've made it through our Sixth grade year and now we're ready to take on the Seventh grade. We would like to thank our teachers and our school for making this year so special for us.

1.Andrew Moore shows his enthusiasm for school. 2.Kelly Rook sand her friends are making the best of Sixth grade. 3. It looks likeAngie Pellicano was sent out of class again. 4.Buck Walden really is (Mr.Cool) with his friends.

Seven Down Five To Go!

by Hollie Allen and Leigh Ann Butler

We are finally teenagers, and it feels great! Most of us girls have started wearing make-up. Silver was the fad for the year . . . everything from shoes to earrings. We boys enjoyed playing football, with the girls cheering us on to victory. We all enjoyed playing C-team basketball and the annual track meet was a lot of fun also. Highlights of our year included collecting bugs, dissectings worms and frogs and dressing up as bag-ladies and bums for Homecoming. Most of us participated in the Fellowship of Christian Atheletes which met every Thursday morning. Occasionally, the FCA would hold a dance or go to a movie on the weekends. The Valentine Dance was a lot of fun also. This year, our class had a lot of spirit. We won the spirit stick at every pep rally (except Homecoming)! This year we were the "Middle Class", but next year we will provide great leadership as the Seniors of our Middle School.

1. Kristen Snipes shows her school spirit while relaxing in study hall. 2. Jonathan Walker leads the Seventh Grade in "Calling All Knights". 3. A few Seventh Grade boys are caught "bumming out" on the bleachers during the Homecoming pep rally.

There's No Stopping Us

by Charlie Moore

This year as Seniors of the Middle School has been great! Some of our favorite classes were Science and Algebra, even though we had a lot of homework in those subjects. But, with such people as Byrd Sullivan the year just couldn't get boring.

On the weekends our favorite thing to do was to be with our friends. On Friday evenings, we went to school planned functions such as football and basketball games. After that many of us went to dances provided by First Methodist church. On Saturdays some of our favorite activities were getting football or basketball games up with our friends or meeting friends at the mall.

Both the boys and the girls did great in our last year of Intramural sports such as basketball. Even though the boys play one more year of football, They learned a lot this year out on the field and are looking forward to being the oldest players next year.

Homecoming provided a fun week for all in which our theme was Punk. We all thought Robert Jones had the best costume. Even though we didn't get to go to the dance this year we can't wait to go next year.

This year has been full of fun and was exciting for all of us. So watch out Upper School, here comes the class of 1991.

1. Becky Kung, Amy Davidson, and Nona Hamilton dress to kill during Homecoming week. 2. Joy Kuhn struggles with her books during last period. 3. Leslie Strickland tells Julie Evans, "Don't tell my mom but I'm dating one of the Hell's Angels."

The Beginning of a New Adventure

by Margaret George and Emily Eisele

Becoming Freshmen was a giant step in our school years. We are now looked upon as school leaders and set examples for underclassmen. We started the year off with a big BANG by choosing the 1800s as our Homecoming theme. Dressing up as cowboys and decorating our hall with horseshoes got us into the Homecoming spirit. Our float was a hayride and we had waterguns. We won first prize in the parade and were in second place for the spirit stick. Next year we plan to do even better. The Homecoming Dance was the highpoint of the week. Being members of the high school involved much work, we discovered! Our classes got harder and we were expected to do more. We have had our first year of foriegn language. Earth science was a popular subject.

We have devoloped many close friendships in our grade. After football or basketball games, we would all go to Pizza Hut. Nicknames easily developed within our class. "The Fly" (Patrick Flynn), "Young'un" (Ashley Myler), and "Bird" (Kim Bacon) were some of the outstanding ones.

Our first year of high school was great but the next year years will be just as fun. We can look forward to playing Varsity football and basketball, finally being able to date, and getting our drivers'licences. Watch out, we are just beginning!

1. The Freshmen shoot into the crowd as they pass on their float. 2. Jim Hamilton walks through the back parking lot during lunch. 3. Class officers: Chip James(sec/treas) Elizabeth McKinney (pres) Kevin Williams (vice-pres) 4. Kevin Williams enjoys earth science class.

1. Freshmen tip their hats in reverence as the Seniors pass by. 2. Wesley Walker comes through with the correct answer. 3.Paul Stevens does his work in science class. 4.All right, who is going to do the experiment? (Majorie McLendon, Elizabeth McKinney, Eric Riles) 5. Watch out! We are just beginning. 6. Kellie Gardner and Ivy Adams are totally amazed in earth science class.

A Year Of Change

by Trey Whitt

We,the Sophomore class of 1986-87,were characterized by our spirited and enthusiastic attitude towards school. We will have many fond memories of our Sophomore year as time goes by. Probably the greatest memories of this year are our close friendships.

Our Sophomore year was also a year of change. Taking a second year of a foreign language was difficult and many of us ventured to take A.P. United States History, which proved costly for some. Seeing some of our classmates taking part in varsity football was also a change. We became terrors on the road as many of us turned 16 and got our driver's licenses. Also with turning 16, we experienced a new kind of independence: being able to take the car whenever we want, dating regularly, and becoming more involved in Albany's social life.

Sophomores enjoyed JAMMIN during Homecoming,especially dressing up in our togas.

On the weekends, we enjoyed movies like "Stand By Me" and songs like Run-D.M.C.'s "Walk This Way." Our Sophomore year zipped by fast, but has left us with many great memories. We've enjoyed our second year in high school as we look forward to next year.

1. Sophomore class officers:Martin Wilson-President,Rob Wallace-Vice-President,and Cole Gerst.2. A full house beats three of a kind, sorry Travis.3. "Hey Charlie, a funny thing happened on the way to the Forum!."

Ready To Move On

by Lil Williams

We had an exciting time this year. Being the smallest class in the upper school we found out that quality was more important than quantity. The many events we shared raising money for the Junior-Senior prom brought us closer together. Selling turkeys at Thanksgiving was different but we didn't mind it as much as cleaning-up after the football games. But you could always depend on Dr. Hawkins being there with doughnuts and cokes. We will always remember the good times we had at football games at Deerfield-Windsor and in Athens. Our favorite day during Homecoming week was hippie day. The teacher we felt that was most "with it" was Mr. Lednicky, our Chemistry teacher, with his Guru headband. One of the most memorable nights of our lives was prom night. All of the work we did this year really did pay-off. We can't wait to be Seniors next year. We're the best, our year was great, we're the class of '88!

1. Class officers: Margaret George-President, Glenn Tennyson-Vice-President, and Tracy Strickland-Secretary/Treasurer. 2. Kenny Heath shows that with concentration you can do anything. 3. Heath Garrett starts daydreaming while doing his Chemistry. 4. Melissa Hatcher, and Karen Beckham show Scott Ritchie how proud they are of him after he learned how to use a hammer.

1. Kevin Williams and Kenny Heath show their true feelings on hippie day. 2. Glenn Tennyson is such a ladies man. 3. Bobby Wale, David Plummer, and Brent Barfield ask, "Do you think they'll notice if we leave?" 4. Johnathon Carr, a new student, gets into the spirit of homecoming quickly.

The Very Best . . . The Class of '87

by Jennifer Wise

The Class of '87-We finally made it, and we loved it. Our Senior year was definitely the best one yet. We came together as a class and really enjoyed being the oldest in the school. We led DWS in many ways such as athletics, academics, and setting examples for underclassmen. We all agreed that senior priviledges were the best, and a few favorite places for lunch were Wendy's, Picnic Pizza, and the Mall Sandwich Shop. At homecoming, we kept the tradition going by winning the spirit stick for the third year in a row. Our 50's theme was fun, and we all loved decorating the school the night before. Painting the dumpster and the parking lot became a custom for us to show how much we loved being Seniors. Aside from school, we road-tripped to Athens, Auburn, or Valdosta to get the feel of college life. We were asked the question "Where do you want to go to college?" for what seemed like months. Most of us,however, had decided where to go by the time of graduation. We really cannot believe the time for us to leave is here,but it is. We will miss DWS, but most everyone is looking ahead to the future. We have appreciated our families, our administration, and our friends, because we know we could not have done it without them all. In years to come, we know we will be remembered for what we,as a class, accomplished. We also know that we will be remembered as THE VERY BEST-THE CLASS OF '87.

Seniors

1. Sr. Biology class shows how much fun learning can be. 2.Chachi,Ralph Malph, and the Fonz celebrate the "Happy Days" at Homecoming '86.(Stuart Gardner,Rusty Ritchie, and Ben Hockensmith). 3. Max's Malt Shop was the hangout for the Seniors during homecoming. 4. Class of '87 on their way to the 3rd Spirit Stick victory.(Mandi Lightfoot,Kelli Mitchell,Kathryn McLendon, and Michelle Rambo). 5. These are our class officers?(Rob Hall-VP,Alden Sherman-Pres.,Jennifer Wise-Sec.,Frank Sullivan-Treas.). 6. Rusty Ritchie compliments Tom Laslie on his "extreme hairdo".

The People Who Make It Happen

Each month this year the Board of Trustees met to make decisions concerning school policies. The thirty member board worked diligently to keep enrollment up and to balance the budget. The board is still working on the possibility of locating the entire school on one campus. A site-determination committee has been investigating this concept.

The members of the board divide into committees to work on specific areas concerning school policies. The committees meet separately and the report their progress to the entire board. At board meetings the headmaster gives reports and many issues are discussed. The treasurer also reports monthly to update school finances. The board's hard work can be seen in the accomplishments and the efficient running of the school.

Dr. Jim Guth, Recording Secretary, Mr. Walter Deriso, Chairman, Mrs. Barbara Strickland, Member at large, Mr. James W. Fuller,Secretary, Mr. Marvin Mixon, Vice-chairman, Mr. Ronald H. Griffeth, Headmaster, Not Shown: Dr. William E. Mayher, Treasurer.

Executive Committee

Mr. Ronald H. Griffeth
Headmaster

1. Mr. Griffeth takes a moment out from his busy scheldule. 2. "I predict the score to be 21 to 3. The Knights will win, of course." 3. Mr. Griffeth takes pride in the cheerleaders' accomplishments at camp. 4. Mr. Griffeth's hard work can be seen in the efficient running of the school.

To the Students of Deerfield-Windsor School:

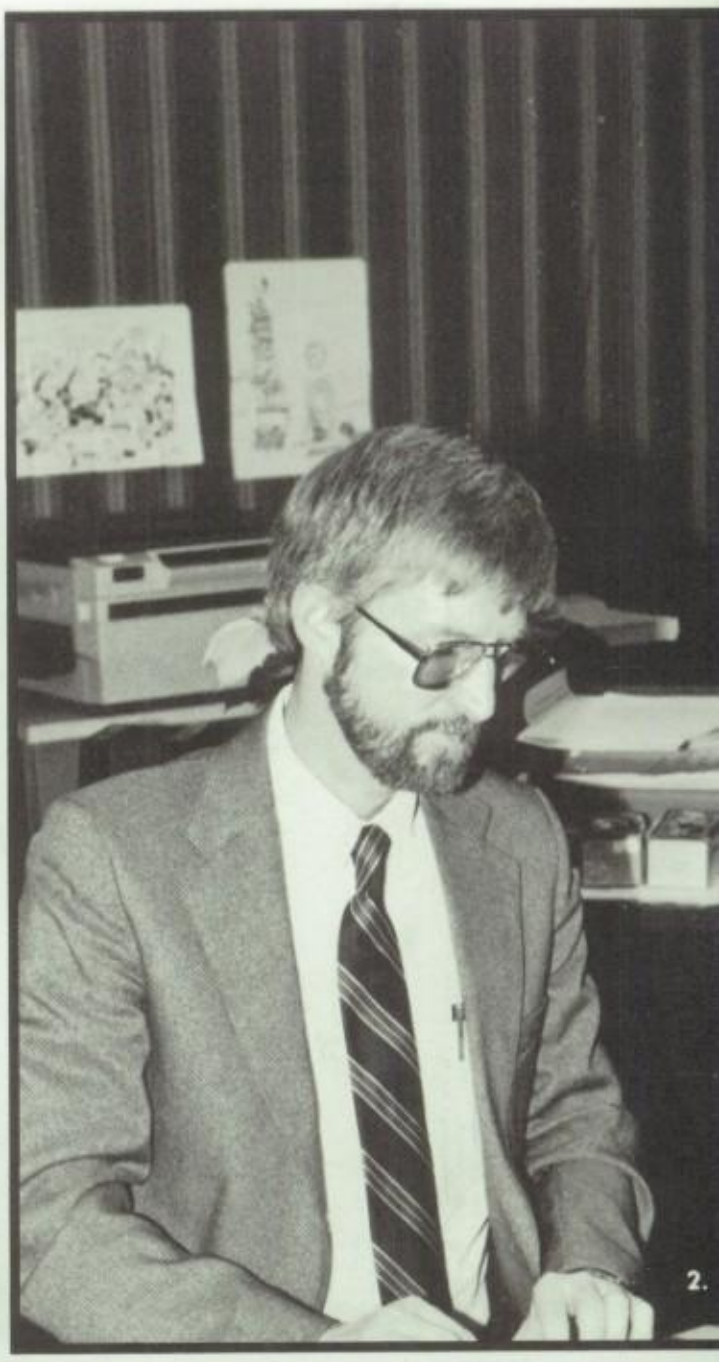
I am sure that this edition of Excalibur will serve to remind you for many years to come of this 1986-87 school year. While this has been a very special year with regard to the many accomplishments of teams and the school as a whole, I know it has been special to each of you in some very personal ways. While many of the challenges and opportunities presented you will serve you well in the future, they are also very special to you at the present time. Life is wonderful and exciting and I hope you took full advantage of your experiences during this school year. A special commendation to those whose hard work and creative talents have contributed to the production of this yearbook. We continue to be grateful for the tradition of excellence in the yearbooks of Deerfield-Windsor School. As you refer back to this book in future years I know that it will serve to remind you of this exciting year in your life.

Sincerely,

Ronald H. Griffeth
Headmaster

Directors

Dr. Charles Hawkins
Upper School Director



Dr. Jim Guth
Lower School Director

Mrs. Ann Voss

DWS Faculty . . . A Friendly Crew

by Kelli Mitchell, Anna Eisele and Margaret Slaymaker

The Faculty of DWS plays a major role in our lives. In addition to teaching academic subjects they also teach responsibility and aid in our decision making. They allow us the freedom we need to grow as mature individuals, while also maintaining a disciplined atmosphere.

The DWS faculty cares for us and shows us friendly concern for our futures Each individual teacher adds to the character of this school. For instance Mr. Atkins and Mr. Gordon keep us in stitches with their corny jokes and wisecracks. Mr. Joiner's friendly personality brightens everyone's day. While Mrs. Guillebeau's smile helped us all through Trig. and Computer, "Ma" Smith got us through our monotonous days. Mr. Waite's unique accent has intruiged us all and has given DWS a change. While waiting after school for Mom or Dad to pick us up, Mrs. Hawkins and Mrs. Sherman watched us play happily. These are just a few, but each faculty member contains qualities of caring for each of us.

1. Reading a story to her class, Ms. Myra Walker takes a break from the ordinary school work. 2. Ms. Peggy Kinsaul is under the pressure of her students. 3. Ms. Nancy Crowe explains the science of art. 4. Student hides from Ms. Elmina Jordan. 5. Mr. Martin Waite stands tall. 6. Stacey Strickland and Beth Ellis try to coax Ms. Lynda Martin into letting them go to the Quickie.

1986 Knights

by Tom Laslie

The 1986 varsity football season has been coined a success by all this year, as the Knights went 6-3-1 on the season. The team this year was led by a swarming, bonecrushing defense which featured big hits by seniors Ben Hockensmith and Will Geer. This defense allowed no points scored until the fourth game of the season, and those were results of a fluke play.

Complimenting the defense was an experienced offensive bunch excluding sophomore quarterback Scott Hockensmith who stepped in and ran the show. Behind young Hockensmith was the running tandem of seniors Ben Hockensmith and Tom Laslie who added a strong one-two punch to counter a newly vitalized passing attack which featured frequent hookups to senior Jon Beall.

The year's success can be greatly attributed to the excellent senior leadership. This leadership was exhibited throughout the entire senior corps which included All-Region/All-State Will Geer, All-Region Ben Hockensmith, All-Region Stuart Gardner, Tom Laslie, Rusty Ritchie, Rob Hall, Jon Beall, Alden Sherman, Pat Nichols, and Matt Thompson.

1. 1986 Knights 6-3-1. 2. Senior place kicker Matt Thompson tacks on the extra point as Scott Hockensmoth holds. 3. Senior lineman Stuart Gardner looks to lay a block against Westwood. 4. Soph. quarterback Scott Hockensmith hurls a pass during homecoming against Westfield. 5. Soph. punter Rob Wallace punts the ball away as Sr. Ben Hockensmith protects him.

What A Season

by Jeff Gaccione and Charlie Moore

Thanks to the ninth graders and a strong supporting cast of seventh and eighth graders, the 1986 intramural football season was truly an exciting one. Though, for the first time in many years, we didn't have blue, red games where we competed amongst ourselves.

This year we had a seventh and eighth grade team and also a ninth grade team. The ninth grade team along with a couple of talented eighth graders came out with a season record of 2-2 with big wins over Sherwood. The seventh and eighth grade team was also very successful with a season record of 2-0-1, with wins over Terrell and SGA. Though the ninth graders will be leaving to go on to play Varsity, there are many promising players in all the grades moving up, and we can't wait for the 1987 season.

1. Sherwood is head over heels with the Knights scoring attack. 2. First row L-R: Reed Garwood, Mike Matre, Phillip Greene, David Sinclair. Second Row L-R: Patrick Flynn, John Culpepper. 3. First Row L-R: Temp Phillips, Judd Faircloth, Lovic Maurury, Tuck Shumack, Tripp Thompson. Second Row L-R: Johnathan Walker, Brian Dean, Matt Trojan, Chad Jones, Chad McGrath, Greg Knighton, Dallas Reeves. Third Row L-R: Randy Neilson, Burt Sorrels, Rob Butin, Liton Harris, Brian Sherman, Jason Webb. 4. Liton Harris cuts back for more yardage against Sherwood. 5. Dallas Reeves finds it hard to get by the Sherwood defense. 6. Chad Jones leaves SGA in the dust. 7. Liton Harris drops back for a pass while Phillip Green watches in awe on the ground. 8. Choaches Joiner, Reeves, and Grayson watch the big play on the field.

On The Road To Victory

By Margaret Slaymaker and Stuart Gardner

Experience, depth, tough coaching, and the "sixth" man were the keys of success for the Knights. Nine returning seniors provided much experience. With the considerable depth they had, the Knights were able to keep fresh players in the game most of the time, eventually wearing down their opponents. Prior to Christmas break, the Knights were trudging through a slump and suffered their first loss of the season to Stratford. Poor shooting, lack of effort, and bad defense plagued them. Some hard practices during the holidays, "getting on the line" and determination helped make "aweful" a less used word. Except for a couple of games, a forgotten uniform, and the Knight's improvement was showing. An inspired defense wrecked havoc forcing opponents to turnovers, leather lunches, and bleacher eating.

With encouraging words like "bust it" from Coach Gordy Gruhl, the sputtering Knights offense remained triumphant over both Crisp Academy and Riverview. Some problems were still there as they found out against FPD but were quickly forgotten as the sharp shooter Dodd" "Chico" Rentz and Curt Gleaton came alive durning the tough part of the region schedule.

1. The 1986-87 Deerfield Windsor Knights. 2. Scott Ritchie gracefully shoots for two points. 3. Greg Griffith realizes that the two points are worth a foul. 4. "AIR" Rentz!!!Dodd Rentz 5. Lady Knights On Top

By Margaret Slaymaker

With the coming and going of every new season, our Lady Knights are becoming the best they can be. Aggressiveness, team spirit, cooperation, and more experienced players all add up to a wonderful winning team. They have improved physically as well as mentally. They have got winning on our mind and they won't stop until they get to the top. With the unfortunate disadvantage of having no seniors this season, they will come out on top when everyone returns next season. The girls have a great outlook on defending their region title. They are very confident after defeating Southland in both regular season games and are hoping for a by to the finals with the required 6-0 record. Teresa Brown's leadership is twofold, leading in both scoring and rebounding. Kellie Gardner follows close behind Teresa. Margaret George has led the Knights in assists.

The Lady Knights have been very inspired by their pregame rituals and hope to carry on this tradition in the future. We have seen much improvement in our Knights this year and we plan to watch them become even better. We are fortunate to be blessed with so many skilled players.

1. Leigh Ann Margeson can really rebound. 2. The Lady Knights wait for a rebound and for another chance at two points. 3. Gini Lane justs gets by with her foot on the line. 4. The 1986-87 Lady Knights. 5. The girls celebrate after their second big win over the Southland Raiders. 6. Teresa Brown shows that making the "1000 point club" is tough work and well worth it.

Continuing A Tradition

by Warren Myers

This year the B-team boys were coached by first year head coach Bobby Joiner, who was assisted by Ed Grayson. The Knights went into the year hoping to have their fourth straight undefeated season, carrying on the tradition started under former coach Benson Crawford, and with close wins in their final two games the B-team finished once again without a loss. The team started four Sophomores — Warren Myers, Trey Whitt, Martin Wilson, and Rob Wallace, along with Freshman Patrick Flynn. Martin Wilson led the team in scoring, while the leading rebounder was Rob Wallace. The Knights also had good help from their bench, headed by Bo Irby and Reed Garwood, who often provided the offensive spark that the team needed. The season was fun and successful and all players hope to help the Varsity out in the near future.

1. 1986-87 B-team; Front Row: Warren Myers, Bo Irby, Mike Matre, Mark Smith; Middle Row: Kevin Williams, Edward Mann, Patrick Flynn, Mitch McClendon, Rob Geer; Back Row: Reed Garwood, Trey Whitt, Rob Wallace, Martin Wilson. 2. Coach (Bobby Joiner) brings the team together for some inspirational words before the second half. 3. Everybody looks up to see if Mike Matre's shot is going in. 4. Philip Greene shoots over a Terrell defender. 5. Rob Wallace posts up strong under the basket. 6. The Knights hustle the ball up the court. (Warren Myers and Patrick Flynn)

3.

4.

Undefeated? You Bet!

by Warren Myers

This year the C-team boys were coached by Bill Gordon, who was in his first year after switching duties from the C-team girls. His first season was a successful one as the team finished with a 16-0 record. The C-team had experience from its eighth graders and youth from its seventh graders and sixth grader Walter Deriso.

Linton Harris was the leading scorer and combined with Rotie Salley to lead the team in rebounds. A pair of Chads (MacGrath and Jones) ran the offense well for the Knights. The C-team boys also had great depth with players such as Rob Buntin and Jason Ward coming off the bench to contribute. The year was a great success, and hopefully it will carry over in future years on the B-team and Varsity.

1. 1986-87 C-team boys; Front Row: Matt Wilkin, Lovic Marbury, Dallas Reeves, Chris Flake, Chad McGrath, Chad Jones; Back Row: Brian Sherman, Linton Harris, Matt Trojan, Rotie Salley, Walter Deriso, Rob Buntin, Coach Bill Gordon. 2. Rob Buntin shoots up and over the defender. 3. Knights defense forces another bad shot.(Brian Sherman, Jason Ward, Matt Wilkin) 4. Byrd Sullivan provides the outside shooting for the young Knights. 5. Dallas Reeves controls the offense out top for Coach Gordon's C-team. 6. Linton Harris skies for two.

C-Team Basketball

2.

Wait Until Next Year!

by Warren Myers

The C-team girls showed much improvement during an exciting 9-7 season. Five of the losses were by a total of sixteen points, showing that the Knights were very much in every game. With only two eighth grade starters moving up next year, the C-team girls should be even stronger and more experienced.

Leading scorer for the team was Suzanne Fletcher, with a 7.2 points per game average. Kelley Yarbrough averaged 6.6 and Mary Wright 4.3. Leading rebounders were Kelley Yarbrough, Sally Curtis, and Ridley Stallings. Katherine Ventulett and Amy Elkins led in assists, while Ventulett, Wright, and Kelly Heath led in steals. The team averaged 34 points a game while allowing only 27 points a game to their opponent.

1. 1986-87 C-team girls; Front Row: Ridley Stallings, Leigh Ann Strickland, Holly Davis, Gayla Williams, Katherine Ventulett, Amy Elkins; Back Row: Caroline Martin, Mary Wright, Kelly Heath, Kelley Yarborough, Kristen Snipes, Suzanne Fletcher, Sally Curtis. 2. Making free throws is no problem for Kelley Yarborough. 3. Holly Davis drives the lane while Ridley Stallings looks on. 4. Gayla Williams runs the offense against a tough Terrell defense. 5. Suzanne Fletcher fights for a rebound. 6.A fast break by Katherine Ventulett results in two points for the Lady Knights.

Experience For The Future

by Warren Myers

The 1986-87 Junior Pro season provided great excitement for players, coaches, and parents. The Saturday games and Sunday practices for the Fourth, Fifth, and Sixth graders provided fun and experience for future. The Jr. Pro was coached by members of the Varsity basketball teams and their assistants. The boys' coaches were: Scott Ritchie and Jon Beall of the Hawks, Warren Myers and Patrick Flynn of the Jazz, Greg Griffeth and Ray McKinney of the 86'ers, Mark Wright and Rusty Ritchie of the Bulls, and Bill George and Dodd Rentz of the Cavaliers.The coaches of the girls' teams were: Charlie Moore and Melissa Hatcher of the Hackers, Margaret George and Martin Wilson of the Bulldogs, Julie Carter and Kellie Gardner of the Mongooses, Teresa Brown and Gini Lane of the Brownies, and Leigh Ann Margeson and Andi Gray of the Pythons. All games were officiated by Gordie Gruhl and Bill Gordon, and although there were many complaints by the coaches about the officiating, they really did a fine job. At the end of the season a girls and boys all-star team will be picked to play in the Jr. Pro tournament in Crestview, Florida.

1. Sixth Grade Jr. Pro players. 2. Bo Hatcher shows his dribbling skills while Barry Dampier looks on. 3. Fourth and Fifth grade Jr. Players. 4. Harrison Greene puts a move on Heath Fountain. 5. Megan Jacobs breaks away from the pack for a layup. 6. 1986-87 Jr. Pro coaches. 7. Mandy Mitchell runs the fastbreak for the Mongooses. 8. Richman Margeson drives around Andrew Moore in a crucial Jr. Pro game.

Girls' Tennis

6.

We LOVE Tennis!!

By Kelli Mitchell and Meredith Harper

The girls' tennis team had a great 1986 season, finishing with an 8-3 record. Six of the girls played in the region tournament, and five of these girls went on to the state tournament. In region play, Margaret George won the singles match, while Tracey Strickland and Meredith Harper won doubles. Soule Wilkin and Leigh Ann Margeson took second place in the doubles match.

In the state tournament held in Macon, Soule and Leigh Ann, and Margaret were eliminated in the first round. Meredith and Tracey made it to the semi-finals but were defeated. Tracey won the Best Sportsmanship award, and Margaret won the Most Valuable Player Award.

1. The 1986 Girls Tennis Team.(Meredith Harper, Leigh Ann Butler, Leigh Ann Margeson, Soule Wilkin, Andi Gray, Liz Williams, Tracy Strickland, Sarah Middleton, Margaret George) 2. Soule Wilkin hits the ball past her opponent. 3. Sarah waits to return a high lob. 4. Meredith checks with Coach Philips to make sure she's doing it right. 5. "You want US to go out in the hot sun and practice?!" 6. Liz Williams volleys a shot for the point.

6.

We Can't Be Beat!

By Kelli Mitchell and Meredith Harper

The boys' tennis team had an excellent 1986 season, winning all but one season match. The boys won the region and state titles. In the region tournament, Chip James took the singles title and Brant Mayher and Brent Barfield, a.k.a. "The Killer B's", won the doubles championship. Paul Stevens and Martin Wilson were runners up in region doubles.

The outcome of the state championship was the same as region with Chip winning singles, Brant and Brent winning doubles, and Paul and Martin taking second in doubles. The boys enjoyed much publicity about their victories. Chip and Paul are nationally ranked and play in tournaments all across the country.

The DWS tennis team should enjoy several more years of championship seasons.

1. The 1986 Boys' Tennis Team (Brant Mayher, Brent Barfield, Paul Stevens, not shown:Chip James, Martin Wilson, Eric Riles) 2. "This guy plays tennis like my grandma!" (Brant Mayher) 3. "I can't believe I let him win that point." (Chip James 4. Paul Stevens makes a great return. 5. Martin Wilson waits for his opponents' serve. 6. Nationally ranked Chip James takes a break between sets to smile for the camera.

Another Winning Season

By Margaret Slaymaker and Jennifer Wise

The 1985-1986 baseball season proved to be one filled with much excitement, a few heartbreaks, and many, many memories. The Knights ended the season with a 17-5 record and a 7-1 record in the region. They were region champs for the third year in a row. The knights had thrilling wins over First Presbyterian of Macon, Tattnall Square of Macon, Southland, and Terrell. The Knights also suffered a loss to Southwest Georgia, 6-5 and a loss to Edmund Burke in the state tornament, 1-0. All-Region players were Keith Martin,Ben Hockensmith,Rusty Richie, Tom Laslie, Stuart Gardner, and Mark Wright. Curt Gleaton was honorable mention All-Region. Also, All-State was Keith Martin. Honorable mention All-State was Ben Hockensmith, Tom Laslie, and Mark Wright.

At the sports banquet, Most Valuable Player award went to Rusty Richie, and Tom Laslie received the Hustle Award. Keith Martin was best hitter,Mark Wright was best pitcher, and Ben Hockensmith was best fielder. Despite the loss of the three seniors,Cale Hill, Keith Martin, and Chris Taylor, the Knights have a well experienced team returning. This leaves high hopes for next year's region and state championships.

1. 1986 Region Champs for the third consecutive season. 2. Keith Martin beats the double play against Calvary Baptist. 3. Rob Hall and Chris Taylor are sizing up Ednund Burke. 4. Teddy Bear, Mark Wright, shows he earned the award for Best Pitcher. 5. Rusty Ritchie, Rambo, rounds the bases to score another earned run. 6. First baseman, Stuart Gardner, has that powerful swing.

It's Been Real Fun!!!

By Margaret Slaymaker

Once again the softball team had a great season. We all learned that good sportsmanship is the most important part of having a good team, and the least of our worries was whether we won or lost. Although our record goes to show we need some improvements, we are satisfied with our traditions.

Teresa Brown again led us with numerous homeruns and was definately a strong asset to the Deerfield-Windsor Knights. Even though we have much more to learn, we sure are having fun in the process. It's been real and it's been fun, but has it been real fun?

1. An awesome play at first base. 2. The 1986 Softball team. 3. Ms. Philips gives another pep talk. 4. Chigger Foot, Karen, what's she looking for? her shadow or the ball? 5. OH-NO, I am not keeping the stats, you keep them. 6. A wonderful view of our hardworking team. 7. Poor Meredith is thrown out at first. 8. Teresa seems very confused.

1986 . . . What A Year!!

By Kelli Mitchell

In the spring of 1986, the DWS Striking Knights played their best season ever, ending with an 11-1 record. The team took the championship title in the American Cancer Society Tournament in Montgomery Ala.; and also won the DWS Soccer Classic, beating out the 1985 first place team from Warner Robins. Their only loss, 2-0, was to Tallahassee Select, a team made up of the top players from the Tallahassee public high school system.

In addition to regular season play, the Knights went on three college visit trips where they played against junior-varsity college teams. They played an excellent game against Georgia College, which ended in a 4-4 tie, but they suffered losses to Berry College and North Ga.College.

At the Spring Awards Banquet, Goalkeeper Zack Hall and Stopper Jay Harris, both seniors, were named Best Defensive Players; and senior Center Striker Taylor Hopkins was named both Best Offensive Player and MVP.

Although the team will miss these key players, they look forward to a strong 1987 season.

1. The 1986 DWS Striking Knights. (back row, l-r, Ben Calhoun, Rob Crane, John Nolan, Taylor Hopkins, Brent Mercer, Zack Hall, Brian Williams, Philip Pastino, Frank Sullivan, Matt Thompson, Coach Crawford. An Outstanding Season

By Margaret Slaymaker

The 1986 golf team had another outstanding season! We finished with a 17-5 record. We placed second in the region. Four of the five losses were to a strong Southland team who eventually became the state champs. There were seven members on the team, five of which qualified to play in the state tournament. There were Hobie Hind, Tony Hind, Cameron Easterlin, Buddy Horne and Jon Warrington. Hobie Hind shot a low of 75 at the state tournament and also received the low medalist award at the end of the season. Although the team will suffer a loss of two seniors, Coach Gruhl feels confident that we will have another strong team next season.

1. The 1986 Golf team. 2. Devin Dunn is amazed at his shot. 3. Cameron Easterlin shows he knows good techniques. 4. Hobie Hind, winner of the Low Medalist award for 1986. 5. Tony Hind gives a practice swing.

The Awaited Victory

By Margaret Slaymaker and Helen Collins

Two years ago, the Deerfield-Windsor track team scored two points in the state track meet, and it has been ten years since we won region. Thanks to the direction of Coach Stuart Todd, more school-wide participation, and hours of hard work, we have worked our way from 1985 runnersup in Region and State to Region and State champions in 1986.Not only did we place in almost every event, three new state records were set. Bill George set a record in the two mile and in 1986 as a junior, he set a new record in the one mile with a time of 4:40:45. A new 880 record was set by sophomore Greg Griffith. After two scratched attempts, senior Keith Martin, set a new long jump record with a jump of 22 feet 6 1/4 inches. Keith was also the leading scorer in the AAA meet with 32 1/2 points. He had wins in the 220, 100 and was on the 440 relay team which won the race at state for the second consecutive years. Chris Taylor, Keith Cromartie, Rob Wallace were the other contributors to the strong state champion relay team.

As a result of the boys' track team's success, interest in the girls' is building. Nine girls participated in track this year. The team was young and as the number grows Coach Todd is expecting a strong performance in the future.

1. The 1986 Region and State Champs. 2. Keith Martin set a new state record for the long jump. 3. The 1986 girls track team makes improvements. 4. Greg Griffith sets a new state record for the 880. 5. Bill George runs unchallenged. 6. Rob Wallace wins first place in the state meet. 7. Amy Grant, the outstanding leader for Deerfield-Windsor. 8. Keith Cromartie wins the 100 at the John Milledge relays.

Varsity cheerleaders

(1)Starting off the Homecoming pep rally the cheerleaders show their enthusiasm to get the crowd going.(2)UCA Cheer and Chant Finals and Pompon and Dance Champions(3)The cheerleaders jam while the players rap to their own song preparing for the Flintriver game.(4)You can always find the varsity cheeerleaders"Dancing in the Streets."

What a Bunch!

By Helen Collins

As the summer ended and the school year began, the cheerleaders were more enthusiastic than ever. The Booster Club's pep rally really got things moving, and the football season was on its way. Everything seemed to be going well, but we didn't prepare for almost all the games to be played in the rain. It was hard for Heather and Pam to grasp the fact that it was indeed going to be a fun year. Well, we made it through the season without any real casualties, and it turned out to be a good one after all. Eating at people's houses was a great way to get the Friday nights started, but getting to the games on time was challenging sometimes.

It was hard making the switch from touchdowns to baskets, but with lots of practice we did it with style. Even though shoulder stands were forbidden we dazzled the fans with creative moves.

Parties at break and surprises during the week kept the long season enjoyable and, of course, the success of the teams made it easier for all to enjoy. All in all it was a fantastic year; with the help of our two sponsors, Mrs. Janet Guillebeau, and Mrs. Meredith Gruhl. We owe so much to them and also to Melissa Dickey, our manager, who saved our sore throats, pep rallies, lost articles, and crazy ideas. Thanks to all who supported us and especially to the Booster club and the parents for the best year ever. The Seniors will truly be missed, but their examples will be used for many years to come.

(1) The Homecoming pep rally was lead by the cheerleaders with great spirit. (2) Senior cheerleaders, Lacy Joiner, Helen Collins, and Jennifer Wise end "Great Gosh Oh Mighty" with smiles. (3) After a long lunch break the cheerleaders had enough cooperation to end a hard day at camp with determination.

Computermania Hits Room 16

by Meredith Harper

The Excalibur Staff went computer-crazy this year, thanks to the school's new IBM portable personal computer. We quickly mastered the skills in using our new accessory, and stayed busy drawing layouts and typing articles. For the first year ever, we compiled an index of the student body. Minor problems arose when computer discs were damaged or lost, and often entire pages disappeared forever.

During the school year, we enjoyed laughing at funny photographs and making up silly songs. Despite the struggle to meet deadlines, make up captions, and write copy, we had a fun year producing our book of memories.

Financing Our Yearbook

by Meredith Harper

The Annual Business Staff worked hard this year raising money to finance our yearbook. They were faced with difficulties in drawing layouts and in cropping pictures, but they learned quickly and managed to make their deadlines. The Business Staff sold hundreds of annuals to the student body during the beginning of the year to help pay for the production of the Excalibur.

FCA: A Huge Success This Year

by Bobby Joiner

The Upper School FCA has had an exteremly fine year ! Our meetings, each week were designed for Christians of all denominations. We learned how we each can become better students, athletes, and winners in the game of life.

We had cook-outs, Saturday nights at the movies, and dances which all enabled us to developed a life that is well balanced socially, mentally, and spirtually. FCA helps us all to meet life head-on, and come out on top, not only for our benefit and our schools, but mainly to please "He that has created us!"

Student Council Has Pride Inside

by Charlie Moore

The Middle School Student Council is Middle School and made up of a girl and a boy, from each homeroom in the sixth, seventh, and eighth grades. The President is elected from the eighth grade, the Vice-President from the seventh grade, and the Secretary/Treasurer from the sixth grade. The Council sponsors dances, bake sales, and other enjoyable activities. Members of the Middle School Student Council enjoyed raising the flag at football games this year and sponsoring the Valentine's Dance.

Student Council Leads The School

The Student Council is made up of elected officals who plan such things as Homecoming and the Christmas program. The officers are elected by the entire Upper School and homeroom representatives are chosen by each of the homerooms.

The Student Council did great things to better our school this year. Thier activities included the magazine drive, the collection of White Christmas food baskets, running the Christmas assembly program and the organization of the Homecoming dance and the Homecoming week.

We are grateful for our student council, for through them the students are to express their opinions on ways to better our school.

Our Pioneer Year

by Meredith Harper

Deerfield-Windsor has seen the beginning of a new club in 1986-87, the Chemistry Club. This progressive organization is composed of students in the Advanced Chemistry/Physics class, and pupils in the Junior Chemistry classes who have an A average. The Chemistry Club sponsored a Christmas dance in December with Glenn Tennyson and Keith Cromartie acting as disc jockeys. The Physics class journeyed to Georgia Southwestern College to view the scanning electron microscope. The Chemistry Club also toured Georgia Tech's chemistry and physics departments, as well as the Farley Chemical Plant in Columbia, Alabama. The Chemistry Club learned a great deal and hopes to be around for many more years.

Beta Club

Row, Mrs. Lynda Martin (sponsor), Kevin Williams, Heath Garrett, Neil Dozier, Chase cker, Dodd Rentz, 4th Row, Alden Sherman, Tom Laslie, Heather Jones, Amy Manning, ris Osborn, Trey Whitt, Ben Calhoun, Greg Griffeth, Warren Myers, Lee Bennett, Hobie nd, Steve Johnson, Mrs. Gayle Doran (sponsor), 3rd Row, Jill Gaertner, Teresa Brown, uren Hall, Michelle Rambo, Melanie Thomas, Rob Hall, Leigh Ann Butler, Bill George, ndi Lightfoot, 2nd Row, Jason Holton, Leigh Bollinger, Sharon Collins, Jenny Hall, Larry dorniga, Chip Sumner, Mitch McLendon, 1st Row, Kenny Heath (Vice-President), Margaret orge (Secretary/Treasurer), Tracey Strickland (Co-Projects Chairman), Meredith Harper o-Projects Chairman), Not Shown, Philip Pastino

Masterminds of Tommorrow

by Meredith Harper

Membershiip in The Beta Club is by invitation to students who maintain a 3.4 average or better for two consecutive quarters.

The Beta Club's biggest project is probably the Miss DWS Pageant. We coordinate the events, decorate the gym, and throw a big party for the contestants, their dates, and Beta Club members. We also raise money for the Salvation Army at Christmas, and support our "adopted" child in Sri Lanka. We show our gratitude for the faculty on Teacher Appreciation Day, when we clean their rooms, grade papers, run errands, and provide refreshments for them. The Beta Club collects money for the Heart Fund drive and helps with Career Day, too. Profits from the pageant go to the Beta Scholarship, which is given to a deserving senior at graduation.

Outstanding Academic Achievers

by Meredith Harper

The Junior Beta Club consists of seventh-, ighth-, and ninth-graders excelling in cademics. The members assist the upper- chool Beta Club with various projects, specially the Miss DWS pageant; their help ith publicity was greatly appreciated. To be nvited into the Junior Beta Club, a student in he seventh grade must maintain at least a 3.6 rade point average; in the eighth grade one ust have a 3.5 G.P.A.; and a freshman must ave at least a 3.4 average. This club allows us o recognize outstanding academic chievments by children at younger ages.

Junior Beta Club

2nd Row, Mrs. Anita Parker (sponsor), Eric Riles, Matthew Waldrop, John Calhoun, Paul Stevens, Matt Trojan, Reed Garwood, Chad McGrath, James Sanders, Bryan Sherman, Matt Barefield, 1st Row, Kelli Gardner, Elizabeth McKinney, Juli Evans, Suzanne Fletcher, Kelli Heath, Soule Wilkin, Ivy Adams, Becky Sue Williams

Key Club

A Service Organization

by Meredith Harper

The DWS Key Club is truly dedicated to it cause, which is community involvement an leadership. Mrs. Mary Alice Smith was ou advisor, and the Albany Kiwanis Club was ou sponsor.

We began our year with a Fall Rally i October, meeting members from other school in our district. In November, we sponsored th "Pumpkin-Pie Bake Off", and also held blood drive at school. Christmas-time wa very special to Key-Clubbers; we too Christmas trees to local nursing homes an decorated them there. Many members ran bells at the mall during Christmas holiday for the Salvation Army. During January w sold doughnuts to raise money; and in May w sold onions. In March we helped with Specia Olympics, which was fun as well a rewarding. The Key Club Convention wa held during March, and several member attended, meeting people from all ove Georgia.

Becky Sue Williams,Allison Elkins,Krista Davis,Wayne Anderson,Rusty Ritchie,Pat Nichols,Mrs. Smith,Lee Haley,Christie Culbreth,Janet Fussell,Stephanie Starling,Johnathan Carr,Scott Richie,Karen Nix,Wendy Rozier,Lee Bennet,Warren Myers,Helen Collins,Bo Irby,Trey Whitt,Laura Hudgens,Trena Dove,Jennifer Hall,Jill Gartner,Mark Smith,Mitzi Manning,Leigh Bollinger,Mellissa Hatcher,Tracy Strickland,Mike Long,Melanie Thomas,Michelle Rambo,Ben Hockensmith,Lacey Joiner,Dodd Rentz,Elizabeth Rowell,Trena Dove,Leigh Ann Butler,English Dale,Hollie Allen,Ben Calhoun,Steve Johnson,Laura Akridge,Lauren Hall,Karen Beckham,Kathie Knight,Tom Laslie,Chris Osbourn,Jeff Gaccione,Eric Reiter,Lil Williams,Susan Walden,Amy Grant,Greg Griffith,Mandi Lightfoot,Kellie Mitchell,Duncan Moore,Frank Sullivan,Sherri Mann,Emily Eisle,Jennifer Bateman,Holli Whiting,Brant Mayer,Meridith Harper,Kenny Heath,Lori Faircloth,Devin Dunn,Laura Wiggins,Anna Eisele,Douglas Nichols,Haley Chapman,Ray McKinney

DWS Band On The Rebound

by Charlie Moore

Under the direction of Joe Maxey, the Deerfield Windsor band is on the comeback and looking for new members. During the Sesquicentennial celebration the DWS band held a special performance directed by Mr. Maxey. The all select band members performed in Savannah with 110 other members from all across Georgia in an outstanding performance. Although the band lacks in numbers they are great in spirit.

Chorus

Chorus Strikes Up a Good Note

by Charlie Moore

This years chorus was under the direction of second year director Bob Goodin. The chorus consists of seventh and eighth graders who take it for one quarter of the year. There is also a boys quartet and a girls quintet. They performed at the Sesquinccentennial celebration along with the band. The boys sang with the girls in a mixed ensemble of "Geogia on My Mind." This year started on a good note and ended on a great one.

1987:
A Memorable Year

Endnotes

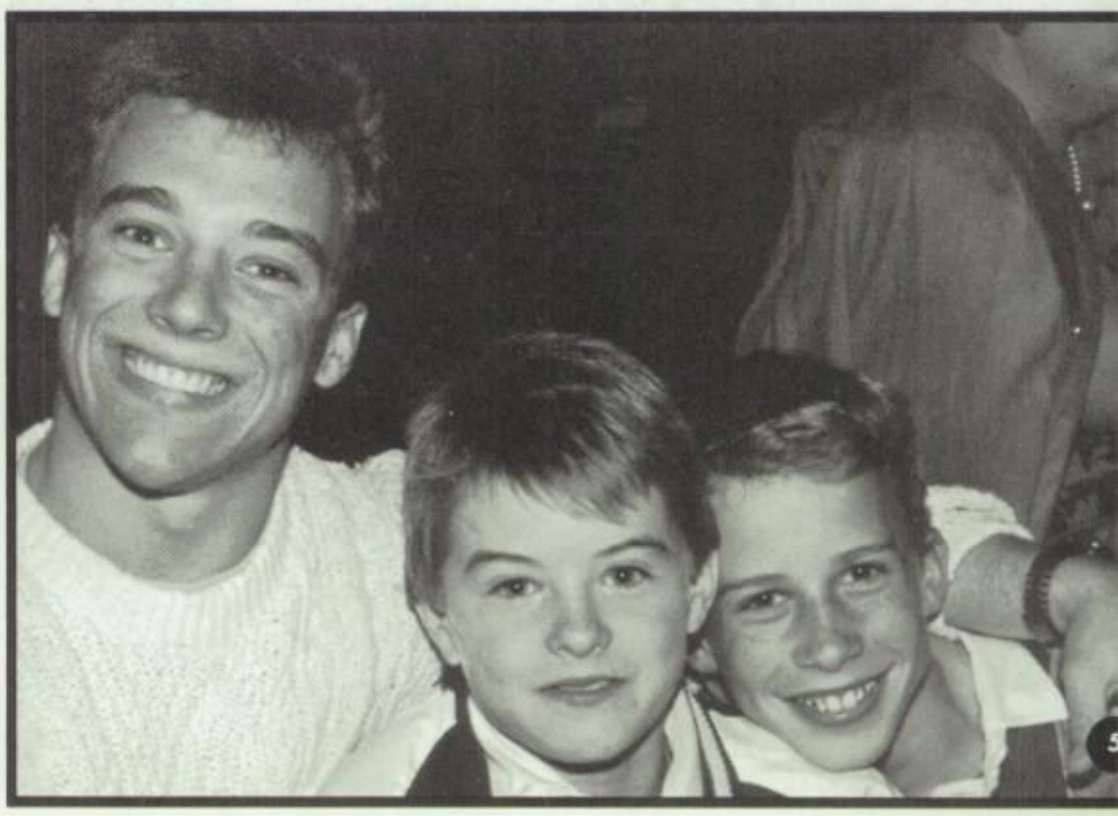
As another school year comes to an end, we treasure the memories we have made. The fashions, cars, and music help set the pace of the year and make it unique. The "latest styles" will not always be the latest and what is in will soon be out. The friendships and the memories, though, will be with us forever. Our years at Deerfield-Windsor help us to grow and become mature, responsible individuals. As we leave school and move on with our lives, we carry with us many special moments. We will never forget competing for the spirit stick at Pep rallies and going to Macon for State Basketball playoffs.

We will always cherish the special times, people, and places and we will always remember the love, laughter, and tears we shared in our 1986-1987 school year.

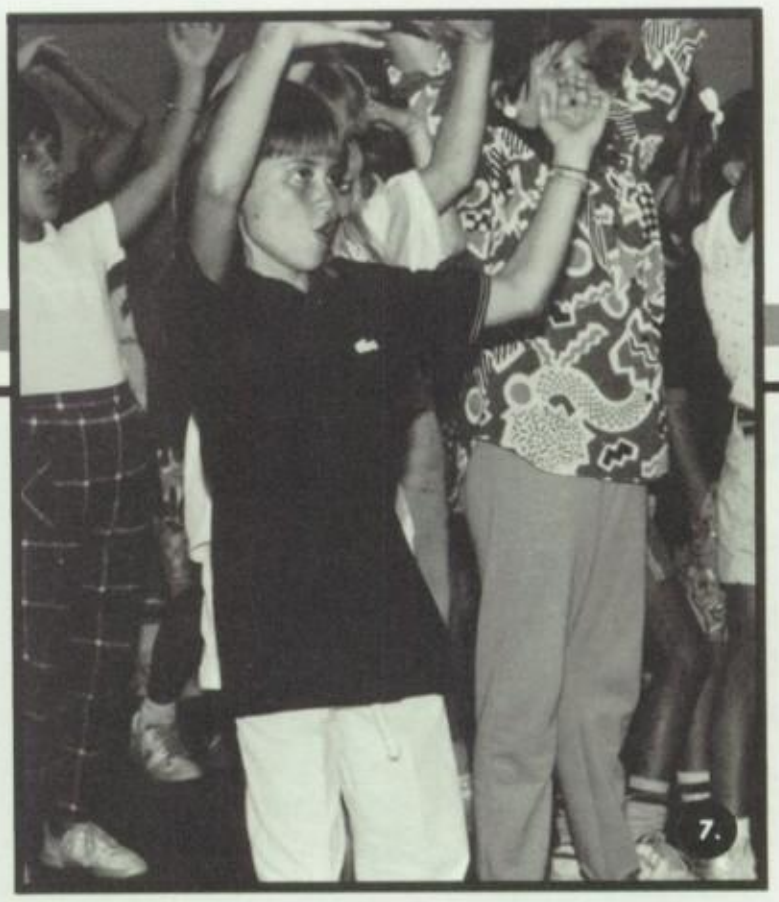
2.

3.

4.

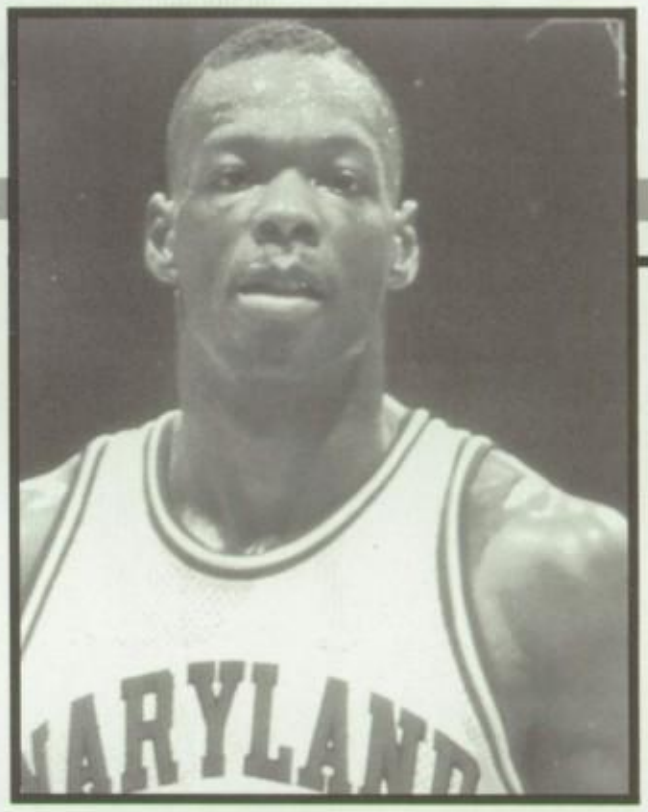


5.



1. "Yes, we did an awesome job painting the lounge!" (Haley Chapman, Margaret Slaymaker, Helen Collins, Jennifer Wise) 2. Ms. Edie Baxley thinks about entering the Miss DWS pageant next year. 3. Seniors enjoy their last Christmas in high school (Laura Hudgens, Holli Whiting, Anna Eisele, Haley Chapman, Kelli Mitchell) 4. Jim Hattaway really looks like he's studying. 5. Tom Laslie teaches Heath Fountain and Buck Walden to be as cool as he is. 6. "So my shirt is made out of road signs. Big deal!" (Ashley Mullinax) 7. Jenna Joiner gets into the Cookie Monster cheer at a pep rally. 8. P.E. sure makes me thirsty. 9. Walker Langley imitates a monkey — or is the monkey imitating Walker?! 10. Mitzi Jordon and Andrew Moore are moving to the same beat.

1. Tripp Fields prepares to shoot the photographer with his Lazer Tag gun. 2. Phillip Greene, Patrick Flynn, and Rob Geer cheer at the pep rally. 3. Ms. Anne Morrow's world geography class sees the star of the East at Christmas time. 4. "O-K you found us, we're cramming for a test." 5. "Study hall sure is boring!!" 6. Hank Hart packs his books in his dinosaur bag.



1987 . . . THE YEAR IN REVIEW

This 1986-87 year has been full of ups and downs. Drugs, becoming more fluent in society, caused Len Bias' death, which proved to be a tragedy. Other tragedies were the deaths of Liberace, Cleveland football player Don Rodgers, and movie star Cary Grant. The shipment of arms to the Contras and the Iranian Affair became a major uproar in America and Aids, an epidemic soon to wipe out a large number of our population, has become a large concern in our society.

This year has been full of many happy moments also. The Royal wedding, which turned out to be magnificent, proved to be joyous to all. America C-C-Caught the wave Max Headroom was notable for as the Coke sales soared, while the Monkees flourished as they marked the year with glory. Oh, let's not forget Tom Cruise who kept us on the edge of the chair during his impetuous role in Top Gun.

Colophon

Taylor Publishing Company in Dallas, Texas printed five hundred and five copies of the two hundred and fifty-six page 1987 *Excalibur*, Volume XV. Ninety-five ads were sold by the 14 member business staff. Four hundred and sixty books were sold for $27.50 each.

This 9 X 12 format book was printed on 100 pound enamel paper. It features Smyth binding and it is rounded and backed. Sixteen pages of the book are printed in four-color. The four-color lithocote cover includes grid lines in 40% process blue, and a 100% process red block with copy reversed out.

This year's twenty-one member literary staff completed this edition of *Excalibur* on an IBM portable personal computer, given to the staff by Taylor Publishing Company, using the Typevision, Pagevision, and Indexvision series of software. Our Sales Rpresentative was Peggy Braun.

All body copy is set in 10 point type, and captions are set in 8 point type. Major headlines are set in 60 point type, sports heads in 36 point type, and other heads are set in 18 point type. The typestyle used throughout the entire book is Palatino Bold.

Robert Edwards Photography of Albany took all class portraits, club pictures, pageant pictures, and senior pictures in tuxedos and drapes. Larry Patrick of Heritage Photography in Albany, took the senior portraits. This edition of *Excalibur* includes 1600 photographs and covers school life from March 1986 through February 1987.

***Excalibur* is a member of the Georgia Scholastic Press Association, from whom we received a Second Place award for 1986. The staff also received a first place award for layout in the Platinum Division from the Georgia Yearbook Workshop for 1987.**

Deerfield-Windsor School Albany, GA

Sulu,
I can say it has
been great knowing you,
because it hasn't.
Leonard

Sulu!
It's over!
We finished!
Go Patriots! See
ya next year. Love
a good summer.
Shane Dolor

Sulu,
Don't eat any tribbles!
Hey it's been great
getting to know you. I'd
would not have passed
this year without you. I'd 'll
miss you have a great Summe
Love
Ya!
Kathleen
Maloof c'92

Sulu,
had a great
schoolyear and
it's been fun to know you!
Hope you do good over at
Westover and I'll miss
ya' much!
Kelly H.

Sulu,
It's been great knowing you
over the summer. It went
by so fast. I
will miss you. Have
a great summer!
Charlotte

Julie,
It is hard to believe the year is almost over. I've enjoyed knowing you and will miss you next year. Best of luck always, Mr. Morrow

Julie,

We've been through good and bad and everything else (through Parties also!) ha ha Well, it's the end of the year and we lived, but are we both going to get to go to High School! Well here we come West-Owen! You (Westaer) knew my brother & now your going to know me!

Lyrs,
Angie
P.S. I'll always be there!

Julie,
When I move
I'll really miss
you. But we'll
keep in touch!
It's been a real
ok a year but
we made it thru.
Have a good
Summer + be
good ☺

Love ya,
Jacki.
